

A Newsletter for Crest

Volume 15

January-February 2013

Number 1

By Linda Hjelle

A Big Ole "Happy New Year 2013" to each and every one of you! I hope your holidays were full of joy and you are working on your resolution list one more time!

I have a personal resolution this year. It is to make the Crest Community Association a healthy and thriving organization. I realize from experience over the past few years that folks are happy to volunteer and contribute to the community if the task is not overwhelming. My goal is to show you some areas where we need help and hope that each one of you will take on a little piece to make our community thrive. Remember this clubhouse, donated to the community by the Cornelius family many decades ago, has no support system other than Crest residents. The ongoing cost to pay the monthly bills for the clubhouse is around \$600 including insurance, taxes and maintenance. Check out page 13 and sign up for just one task and we will succeed!

Speaking of supporting the CCA, there are a couple of great events coming up this month. Thanks to the combined efforts of the Crest Library and Crest Community Association, there will be **an electronic recycling event on Sunday, January 6th from 10:00 am to 2:00 pm at Nancy Jane Park across from the CCA clubhouse.** Did you get new electronic toys for Christmas? The date has been conveniently set so you can recycle your old electronics right after the holidays.. See page 7 for additional information.

"Coffee with Dianne Jacob" will be held on January 18th at 8:30 am at the Clubhouse. Stop

by for a cup of coffee with your county supervisor, share your concerns, and hear her bring you up to date on issues regarding your community and the

County.

Don't forget to stop by the CCA clubhouse on February 6 from 5-7 for another great dinner. A homemade dinner is hard to come by but the Crest folks do it right! Where else can you get a great dinner for only \$6?

Welcome to Paula Soltero, new branch manager of the Crest Library.

"I've worked for the County Library for 25 years, most recently at the Spring Valley branch for 9 years, another 9 years at the Lemon Grove branch and several other branches such as La Mesa, Lakeside and the south county. I hope to bring even more

exceptional and quality programs and services to the community of Crest. I hope to get a Friends of the Library (FOL) group started in order to support our programs and events. I'm getting familiar with the community; everyone's been so nice. I've attended the Kiwanis Breakfasts and am hoping to get the Crest Elementary School visits started again. I'm also trying to increase our circulation and program attendance at the branch so I'm encouraging all our local residents to come and visit us. A little about me? I've lived in Lakeside now for about 31/2 years, prior to that I lived in the Linda Vista area, a few blocks from USD. I have two boys, 26 & 20 and a 3 year old granddaughter.

JANUARY & FEBRUARY EVENTS @ CREST LIBRARY

Children's Programs

Coloring Table Every Tuesday during open hours

PJ Story-time Tuesday January 22nd and February 19th at 6:30 pm

Want to Help Track the Bird Population?

According to the AAA Westways Magazine there is a Great Backyard Bird Count each year that helps to track long-term population trends of birds across the US and Canada. From February 15 to 18, birdwatchers of all levels help count birds in their backyards, city parks, etc. and then upload their findings to the website. It takes just a few minutes of your time and a pair of binoculars. Visit www.birdsource.org/gbbc or www.birdcount.org to view the online bird guide and download a regional bird checklist.

Crest Community Association

CCA Board:

The Board appointed two new members to fill vacant positions until elections in January. Lori Johnson has been appointed to the president position and Linda Hjelle has been appointed as secretary. Other members include Vice President, Barbara Kingsbury, Treasurer, Jackie Grace, and fifth board member, Rick Bradt.

A new board will be elected at the January 15th meeting. We are looking for folks willing to serve a term on the board for the 2013 term.

Nominations to date include:

President	Lori Johnson
Vice – President	Vacant
Secretary	Vacant
Treasurer	Jackie Grace
Fifth Board Member	Barbara Kingsbury (appointed)

If you are interested in serving on the board, please call Linda Hjelle at 440-8540 or Lori Johnson at 588-8806..

Crest Blackboard: Hi out there in Crestland. This is Kathy Fiedor and I'm still the main person to contact when you want to get your message on the Crest blackboard. My phone # is 619-440-6097. I'll always call you back within one day to get the full details of what you would like on the board so make sure to leave your phone # if you get my answering machine. If, however, I don't call you back (which means I'm out of town, out of the country or off the planet), please call my trusty back-up, Mary, at 619-447-7199.

Also, because of the number of activities in Crest and organizations which post their events, please try to give us at least one week's notice before you need your info up. Thanks.

Electronic Recycling Event

**Sunday January 6th from 10:00 am -2:00 PM
Nancy Jane County Park (Parking Lot)
(across from the CCA bldg.)**

The State of California is one of the only states in the country with an e-waste recycling program. The state reimburses us for collecting televisions and monitors only if a name, address and phone number is collected from each visitor. Computers, laptops, tablets and smartphones with the potential of being reused are also valuable. The CCA will receive a small donation per pound for computers, laptops, cell phones, televisions and monitors: Printers, copiers, small appliances, remote controls, and other electronics represent a net loss to our company and are not subsidized by the state. However, they will still collect them free of charge as a public service. A special thanks to the County Parks for allowing us to set the bin on the park property and to the Crest Library that has given us this fund raising opportunity.

CCA Membership

Thanks for the people who have rejoined the CCA this year. One of the very special ways you can help support your clubhouse is by becoming a member of the Crest Community Association. The membership runs from July 1 to June 30th. It is not too late to join for this year, however. **We are offering a membership for the remaining year for half price.** This money pays the bills for the clubhouse!

NOTE: The CCA apologizes for not having the 44-CREST phone line adequately covered recently. As you will read, we are working to get our CCA volunteer positions filled.

JOIN THE CCA AND SUPPORT YOUR COMMUNITY CLUBHOUSE

Note: Membership for the remaining portion of the 2012-13 year is now offered at Half Price – now through June 30th.

Send this form in with your check made out to the Crest Community Association (CCA) or bring it to the park on the 4th.

ARE YOU GETTING THOSE ANNOYING UNSOLICITED CALLS?

If you have not already done so, you may want to consider registering your phone number with the National Do Not Call Registry. Doing so will limit the telemarketing calls you receive. The National Do Not Call Registry is managed by the

Federal Trade Commission (FTC), the nation's consumer protection agency. You may register your phone number online at <https://www.donotcall.gov> or by calling toll-free, 1-888-382-1222 (TTY 1-866-290-4236); from the number you wish to register. Registration is free. After you register, telemarketers covered by the National Do Not Call Registry will have up to 30 days from the date you register to stop calling you.

FILING COMPLAINTS:

If your number has been registered on the National Do Not Call Registry for at least 30 days and you receive an unlawful telemarketing call, you may file a complaint on the registry's website at www.donotcall.gov or by calling the registry's toll-free number at 1-888-382-1222 (TTY, 1-866-290-4236). In order to file a complaint, you must know either the name or the phone number of the company that called you. You also must provide the date that the company called you and your registered phone number. You may provide your name and address, but it's not required for you to submit a complaint.

Please keep in mind that the registry covers most, but not all, telephone solicitations. Calls are still permitted from: (1) collection agencies and creditors, (2) political organizations, (3) charities, (4) pollsters and individuals doing surveys and (5) companies with whom you have an existing business relationship. A company may call you for 18 months after you make a purchase or three months after you submit an inquiry or application.

OTHER TELEMARKETING RULES:

Even if you do not register with the National Do Not Call Registry, you have other rights and protections. You can prohibit individual telemarketers from calling by asking them to put you on their company's do not call list. The Telephone Consumer Protection Act (TCPA) of 1991 requires telemarketers (except non-profit organizations) to keep such a list. Keep in mind that the telemarketer's "do not call" list applies only to that individual company. Repeat your request to each business that calls you. (47 CFR 64.1200; 16

CFR 310). In addition, Federal Communications Commission (FCC) rules prohibit telephone solicitation calls to your home before 8 am or after 9 pm. You may report violations of the TCPA or of the FCC's rules via the FCC's website at <http://esupport.fcc.gov/complaints.htm> or by calling 1-888-225-5322.

Your registration will not expire. Telephone numbers placed on the National Do Not Call Registry will remain on it permanently due to the Do-Not-Call Improvement Act of 2007, which became law in February 2008. Read more about it at <http://www.ftc.gov/opa/2008/04/dncfyi.shtm>.

I am a mother to a 15 month old girl, and am I am willing to keep your children entertained in my home by playing, reading, drawing, doing crafts and whatever it takes to make sure they are SAFE and HAPPY while you are out. We live in a gated community in Crest, and love the outdoors and to go on walks and to the local park. I have a Bachelors' in Psychology and am in the process of getting an at-home daycare license and certification. We have a pet friendly home, which is smoke free.

Call or email with questions or to set up a time to meet. My daytime hours are flexible and prices are negotiable.

Crest Tidbits:

New Name for Crest Community Church

After much thought and prayer, we are changing the name of the church. We are in a new season of life, and a lot of new things are going on at the church. Our new name is going to be, **New Seasons Church Crest.**

Marie Bradt recently retired from the Cajon Valley school district and has embarked on a new career. Marie spent October in Salt Lake City in training, has graduated and now is employed as a flight attendant for Sky West Airlines. Congratulations on your new exciting career change.

New CCA President Appointed:

A big thank you to Lori Johnson for volunteering to fill the vacant board position for the Crest Community Association. For those who have not had the pleasure of meeting Lori, we hope you will attend the next CCA meeting and welcome her aboard. Lori has lived in South Crest for five and a half

years with her husband, Matt, their dog, Buck, and two cats. Lori is a clinical nurse educator for UC San Diego Health System. The Johnson family has been in San Diego for five generations. Matt Johnson's great grandfather was a conductor on the original trolley line, and his grandmother, Marqueen "Marge" Johnson, was a long time Crest resident on Highline Trail.

A New Year and a New Restaurant in Crest

By **Dori Guzman**

(Welcome aboard to Dori, our newest Crest Sun writer. Dori has lived in Crest for four years and enjoys gardening, cooking and hiking and of course being a great mom to her teenage daughter)

Crest already has a great Italian Deli; coming in January we will also have a Mexican restaurant serving fresh and delicious food. **Sonora Mexican Food** will be located next to Rainbow Market.

Longtime residents may remember there was a Mexican restaurant in the same location about ten years ago. The same owner, Jim, is back and looking forward to serving up authentic and delicious Mexican favorites. While he doesn't live in Crest, Jim has been in the area for many years - he once owned the Rainbow Market. His wife is from Sonora, Mexico (hence the restaurant's name!) and he has two adult children.

Jim plans on serving breakfast, lunch, and dinner, seven days a week. Order your meal to go, or dine at one of the clean and cozy tables. There will be two chefs, bringing over 30 years' experience to Sonora's. There will even be a "Crest Burrito" - a breakfast burrito made with spicy sausage. Top it off with mild, medium, or spicy-hot condiments from the salsa bar.

Planning a party? Let Sonora's do the cooking for you - just call ahead, and your order will be waiting for you to pick up. How easy is that?

So, watch for the grand opening, stop in and say "hi", and try something delicious!

LaCresta Recycling Center Closes

Jim is going to be very busy with his new restaurant and therefore is closing the LaCresta Recycling Center.

Want to be Included in Our Email List?

In an effort to keep you informed, we occasionally send out emails to the community for time sensitive information. If you would like to include your email on the community list, send your email to editor@thecrestsun.com and in the subject line tell us to add you to our email list. If you wish to be dropped from this list in the future, you can just email and asked to be removed. This list will be used only for Crest Updates only.

This memorial, which was placed at the bottom of the La Cresta Grade on December 23, is a reminder of how dangerous our Crest Hill can be. Our thoughts and prayers are with all those who have perished in recent months.

COUNTY SUPERVISOR DIANNE JACOB NOW ON FACEBOOK, TWITTER

County Supervisor Dianne Jacob has added a new tool to stay in touch with her constituents – social media. Jacob, who represents District 2, is now active on Facebook and Twitter, in addition to putting out a print newsletter, *The Jacob Journal*, and maintaining a website – www.dianne.jacob.com. “I’ve always valued my close contact with folks in my East County district,” said Jacob. “These online tools provide more ways to expand those ties, and to let my constituents know about the pressing issues facing our region and the rest of San Diego County.”

County Supervisor Dianne Jacob lauded the state’s rejection of San Diego Gas & Electric’s scheme to bill its customers for the cost of the 2007 wildfires and any future wildfires caused by the utility. “This is a huge win for San Diego County residents -- and for common sense,” said Supervisor Jacob. “SDG&E’s proposal to charge ratepayers for fires the utility largely caused would have been a grave injustice to ratepayers and victims of the 2007 firestorms.”

The California Public Utilities Commission unanimously voted to deny SDG&E’s request to create a Wildfire Expense Balancing Account to cover uninsured costs related to the fires.

“Sempra Energy and SDG&E continue to make healthy profits and last year dished out hefty bonuses to their top executives,” said Jacob. “The idea that SDG&E cannot afford these costs is nonsense – and I’m glad state regulators appeared to see it the same way.”

The 2007 firestorms were among the biggest and deadliest in county history and were largely triggered by SDG&E power lines.

The formal decision can be found at:

CREST-DEHESA-GRANITE HILLS-HARBISON CANYON SUB-REGIONAL PLANNING GROUP

Mailing address: P.O. Box 21489, El Cajon, CA 92021

E-mail: wrplanning@aol.com website: www.crestplanning.org

The mission of the sub-regional planning group is to advise and assist the Director of Planning, the Planning and Environmental Review Board, the Zoning Administrator, the Planning Commission and the Board of Supervisors in the preparation, amendment and implementation of community and sub-regional plans.

Meetings are held the 2nd Monday of each month at 7:00 pm. Locations rotate between the Dehesa School, The Crest Community Center, and the Harbison Canyon Community Center. Meeting agendas, minutes, locations, and planning commission documents may be found on their website at www.crestplanning.org. The website can also be accessed by going to the www.thecrestsun.com website and clicking on planning group or organizations. The January 14, February 11, March 11, April 15, meetings will be held at the Crest Clubhouse at 7 pm.

The following are segments from the November 19, 2012 minutes regarding Crest. For a full copy of the minutes go to www.crestplanning.org

Judy Bowen provided an update of the Park Lands Dedication Ordinance funds and priority projects: the balance of PLDO funds available for projects in the Subregional Planning Area is \$114,000 as of 31 October 2012; the County Department of Parks and Recreation wants to have a community meeting to discuss the design and costs for the proposed South Lane Park fitness trail project; the Department of Parks and Recreation initial estimate of the costs of project elements (i.e., constructed trails, fitness stations, signs, etc.) plus charges for Department overhead costs (i.e., preparation of design plans, bidding process fees, construction contingency fees and project management fees) appear to exceed the available PLDO funds. Judy proposed that she would obtain additional information from the Department to verify if a complete fitness trail project of sufficient scope could be accomplished with the available PLDO funds, before scheduling a presentation by the Department at a future Planning Group meeting.

Wally Riggs discussed the Cal Fire assessment charges sent to property owners in the State Responsibility Areas, and encouraged everyone receiving such a bill to consider paying it under protest and appealing the appropriateness of the assessment charge.

Mystic Canyon Massage
Barbara Knight, Holistic Health Practitioner

Located in beautiful Harbison Canyon!
Enjoy a massage in a tipi from an experienced, licensed therapist.

Services offered:

Therapeutic relaxation massage, specific work for pain relief, deep tissue, Reiki, pregnancy, sports, cranial sacral therapy. Each massage tailored to the client's needs.

\$45/Hour for On-Site

\$25/Hour For Off Site

For Home Users

Due to new standards required by city, county, and state, we have had to increase our price for on-site service. Our off-site service is still only \$25/Hr. with free pick up and delivery. Call to ask how you can save \$10 off your next on-site service. Crest Computer Guys offers a new service: the "No Rip Off Guarantee." if you paid the Best Buy™ Geek Squad™ to fix your computer and they don't we will fix it for \$12.50/hr plus price of parts. (receipt from Best Buy™ Geek Squad™ required.)

I KNOW I'M NAGGING...

By Linda Hjelle

The Crest Community Clubhouse was first formed when the Cornelius family purchased approximately 700 acres and donated a small lot to build a clubhouse for the community. In 1939 the clubhouse was built by residents at 113 Park Blvd for the La Cresta Women's Club which later became the Crest Civic Group and then was finally renamed to the Crest Community Association.

The original CCA clubhouse burned in the 2003 Cedar Fire. The community immediately commenced to rebuild the clubhouse with almost all volunteer labor. The result is the beautiful building we now occupy.

What I am sharing with you is that the CCA is not an "exclusive club", but it is a building and a community group formed for the purpose of providing support to the community. This also means that the responsibility of the maintenance and support for the building only exists through the efforts of the Crest Community.

The CCA continues to provide events and services to assist the community. In addition to being the official "disaster preparedness center" for Crest, it is a "home base" for many of the organizations such as Kiwanis, Garden Club, and Marie's Painters to name a few. The July 4th event is sponsored by the CCA and is its main fund raiser, but there are also monthly dinners and music nights. **However, it is important to realize these gatherings are our official fundraising events to keep the clubhouse running. It takes \$600 a month to pay the building utilities. It literally needs "an entire village" to keep our community clubhouse financially healthy and maintained.**

What has happened is that folks have stopped volunteering, and I fear the few volunteers that are left are getting "weary." I know that many of you are willing to help out as long as you are not asked to do monumental tasks, but the hard part is finding out who you are. Would you be willing to occasionally bake a batch of cookies for a music night or buy a loaf of bread for a dinner? You might be willing to help dish up a dinner or set up tables once a year? Maybe you would donate a silent item for the July 4th silent auction or maybe spend a couple of hours pulling weeds at the clubhouse once or twice a year. Have you considered renting the clubhouse for your next social event? Have you joined the CCA to show your support for our community building?

We need some help. Do you see something below that interests you, whether it takes you an hour a year or maybe an hour a month? Email: Lindahjelle@cox.net with your name and number and your area of interest. Drop us a note at CCA 113 Park Blvd. El Cajon, CA 92021 or leave a message at 44-Crest. **Get involved, please!**

Help Needed...

CCA Board – Vacant: Vice President Secretary	Currently there are two board positions open. The job entails attending monthly board meetings on the third Tuesday of each month to help made decisions as to clubhouse use and activities. A board member needs to support CCA activities (not all, but occasionally help and /or attend CCA dinners). You must be a CCA member to be on the board.
Maintenance	Can you commit to one of the following: <ul style="list-style-type: none"> • Can you stop by the clubhouse once a week and putting out the trash cans and then returning them inside the fence the next day? • Will you volunteer to spend a couple hours a month to pull weeds and prune gardens • Could you help with an occasional deep cleaning of clubhouse. • Do you have electrical or handyman skills to help when we have issues (example: we can't get the timer to work for the outside lights)?
Renting The Clubhouse	Have you considered renting the CCA clubhouse for your next anniversary, wedding, or work seminar? Go to www.thecrestsun.com and click on Rent the Clubhouse. An evening rental costs approximately \$175 for CCA members plus insurance. If you check with other community buildings for your upcoming anniversary or wedding, you will find this is a bargain! Plus the building is beautiful. The clubhouse can be rented for parties of 25 or less on an hourly basis on week nights for as little as \$60 for 3 hours. Inquire at rentals@thecrestsun.com or call 44-Crest and leave a message for more information

CCA Dinners (typically one dinner a month except July and December)	Chair: Sally Bruner Help is needed in the following areas: <ul style="list-style-type: none"> • Call volunteers and ask them to work the dinner or bring an item • Provide a food item i.e. cheese, cookies, bread, etc. toward the monthly dinner • Help with the dinner. An assignment might include, serving food, set up of tables, breakdown of tables and sweeping the floors. Damp mopping where necessary
Membership and volunteer database	<ul style="list-style-type: none"> • Maintain the CCA data base on Excel. Keep a list of volunteers and area of interest for volunteer opportunities. Share phone numbers of interested volunteers with the appropriate chair persons
July 4 th committee	Chair: Kevin Nelson. We need to get started early this year it get it right! We need both workers and chair persons to organize and get this moving! Let us know if you are interested in helping out in any of these areas: <ul style="list-style-type: none"> • Planning committee • Application coordinator (paperwork) • Street brigade – enlist folks to work the corners during the parade • Pick up and delivery of signage and blockades • Parade Coordinator • Silent Auction committee • Vendor committee • Music Committee (Cathryn Beeks, coordinator) • Entertainment for the kids • Trash, cleanup • Advertising
Blackboard Advertising	Chairman: Kathy Fiedor Back up: Mary Robinson They could use one more back up person.
Special Events	Would you be willing to: <ul style="list-style-type: none"> • Coordinate or help with special events i.e. Bunco, Bingo, Music Nights, Santa night. Do you have an idea that would help generate revenue for the clubhouse?

The Crest Sun Newspaper -

I took the paper on again this month because I think it is an important communication tool. We will now break it down into more manageable pieces so it can continue. Thanks to Denise Cote, Cathryn Beeks, Carol Gilmore and Dori Guzman that have stepped up to help keep The Crest Sun Newsletter afloat. Are there others interested in helping in some of the following areas?

Collect articles From Groups	Coordinate with organization contacts i.e. CCA, Kiwanis, Crestridge, Library, Churches, planning group to make sure they meet the deadline for the upcoming issue. Help format their articles if need be. (phone and computer work mostly)
Ad Coordinator (Denise Cote)	Send notices to advertisers and work with them to get their advertising and money to the paper before the deadline. This is mostly computer/email work. Document money to give to CCA treasurer (Excel)
Special interest articles	Are there topics of interest that we need to share with the community? Dori is onboard to help write special interest articles. Do you have some time to help out?
Event photographer	Go to events and take photos or collect photos from the groups to put in the paper.(There isn't a lot of room for photos so it isn't a big job)
Format the Paper Cathryn Beeks	Help to organize and input articles into the paper. Help with proofreading
Distribution	Stop by the stores and library a couple times a week to pick up donations and deliver papers
Proofing the Paper	Help proof the paper for accurate dates, grammar and content (Thanks to Carol Gilmore, Chris Seebold and Lori for helping this month).
Social Media Karen Weiss	Posting on the Crest Sun webpage and Facebook page.
Advertise Donate	It takes advertisers to allow us to print the paper. Check out the back page When you pick up a copy of the paper, donate and help pay the cost of the printing.

The Earth Discovery Institute
Crestridge Ecological Reserve
December 2012

Happy Holidays to EDI supporters and all those working for environmental conservation and science education. This newsletter closes the tenth year since EDI started its inspiring and exciting work to

connect students and community members to science-based conservation in San Diego County. This newsletter shares updates on our education and outreach programs, and includes resources to get you connected to nature on your smart phone. You'll also find opportunities to remember us in your holiday giving and register for upcoming events. Cheers!

Individuals, Organizations Step Up to Support EDI

Since our last newsletter, we've received support for our programs from granting organizations, partners, and individuals. The San Diego Foundation Environmental Program granted \$18,000 to EDI to support our education program. San Diego Gas and Electric's Environmental Champions Program selected EDI for a \$10,000 grant, also in support of the education program. Our partner, the Conservation Biology Institute will contract with EDI to provide volunteer support to their south county restoration programs.

Lois Huxtable made a personal donation of \$1,000 which will bring an entire class of students on science and nature school field trip. Andrea and Jerry Johnson contributed \$500 for education as well. Linda and Steve Chase are making a monthly contribution through the Better Giving program at the San Diego Foundation. Native Plant Sales took place this year at both Crestridge and Rancho Jamul Ecological Reserves, netting about \$1,500 in support of EDI programs. Thanks to all the individuals who supported native habitat AND EDI with their purchases. *If you or your organization would like to become an EDI supporter, visit our website to make a financial contribution or view our Wish List. (www.earthdiscovery.org)*

Education Program Partners with SPAWAR

Student visits to Crestridge are back in full swing. Our first student visitors were from Crest Elementary and Chase Elementary in the Cajon Valley Union School District. Along with our regular activities of hiking, nature observation, watershed and ecosystem exploration, and habitat restoration, students received an extra special experience from a guest instructor. James Rohr, Coordinator of STEM Education Outreach Program at SPAWAR (Space and Naval Warfare Systems Command). This program aims to get kids excited about science, technology, engineering, and math. Dr. Rohr got the students 'hands on' with exciting experiments about air pressure. He'll be training EDI's Field Instructors to continue these engaging activities with students and integrate them into our environmental curriculum. We are grateful for the partnerships we have that share our enthusiasm for getting kids involved in exciting ways with science and nature. Thanks to EDI Board Member, Diana Griffin for initiating this great connection!

Outreach for Conservation

EDI's conservation outreach program has been extremely active this year. Through September, EDI coordinated

- 9 interpretive events for 69 different individual with 3 different partners
- 12 one-time volunteer workday events with 178 total volunteers, 618 hours of work with 4 partner agencies
- 8 weekly volunteers have provided 314 hours of restoration, monitoring, and maintenance work for 5 partner agencies.
- 27 Reserve Ranger volunteer patrol members attended 3 trainings and reported 22 incidents related to habitat, safety, and use issues

Nine events took place from October through December with another nine scheduled for January and February. *Want to help build a trail? Plant acorns? Learn about composting? Visit our website (www.earthdiscovery.org) to view all events and sign up.*

Composting Workshop: Join us at Crestridge on February 9, 2013 for a workshop on composting with the Solana Center. Visit www.solanacenter.org to reserve a space at this free event.

Apps for Nature: EDI is all about hands-on experience in the natural world. Whether it's kids on field trips, volunteers conducting habitat restoration, or families on hikes, learning about nearby nature, getting up close with wild and natural places can't be replaced by any virtual experience. However, you can enhance your nature exploration and discovery, and inform others about what you see and learn with many Apps for your smart phone. Some are free, some are not. Some are for iPhone, some are also for Android, but all are pretty darn fun and interesting. Check out these!

Whatsinvasive, <http://whatsinvasive.com/>: Learn about and add to the knowledge base about invasive, non-native plants and animals that hurt our native ecosystems.

Whatbird, <http://www.whatbird.com/>: Photos, illustrations, and sound recordings will you help you identify birds you see.

Leafsnap, <http://leafsnap.com/>: ID plants with your smart phone camera and this app.

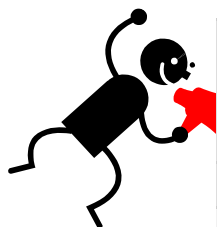

NatureFind, <http://itunes.apple.com/us/app/naturefind/id335373871?mt=8>: Find nearby parks, forests and nature centers and nature events with this application.

WildObs Observer, <http://itunes.apple.com/us/app/wildobs-observer/id309451803?mt=8>: Identify species and report sightings that will show up on National Wildlife Federation's Wildlife Watch website.

Project Noah, <http://itunes.apple.com/us/app/project-noah/id417339475?mt=8>: Your photos you can help accomplish missions of various science projects and explore other sightings. You can create a personal account and meet other nature enthusiasts.

iNaturalist, <http://itunes.apple.com/us/app/inaturalist/id421397028?mt=8>: Identify species and contribute your sightings to a common database. This application does not require a photo and it gives you ample room for notes. It also automatically fills in the date and your location to help make your observation recording easier.

Check out this site for even more nature apps: <http://blog.nwf.org/2011/08/the-best-wildlife-and-nature-iphone-and-android-apps/>
This site gives you lots of ideas for apps about astronomy: <http://science.kqed.org/quest/2011/11/08/popular-astronomy-apps-for-your-smartphone-or-tablet/>

CREST KIWANIS

Congratulations to Crest School for hosting their 3rd annual toy drive spearheaded by teacher, **Sharon Keffer**, the **Student Leadership Team** and **Megan**, K-Kids President. **Crest Kiwanis** also thanks the **students** and **K-Kids** for providing hand decorated place mats for our "Breakfast with Santa" that was held on December 8th.

A HUGE thank you to the local stores and the library for providing space for Crest Kiwanis' holiday food drive

and all who donated to the food drive. Food will be distributed in Crest to those who need a helping hand this holiday season.

Crest Kiwanis community service just doesn't stay on the hill. The **Ritter Family**, victims of the September Shockey Truck Trail fire is the recipient of an RV stove, oven and hood purchased by **Crest Kiwanis** (with a generous discount given by **RV & Trailer Supply** in El Cajon. Working with Lorrie Ostrander of Campo, Kiwanis members, **Barbara** and **Don Halte** procured a temporary power pole provided by local electrical contractor, **George Bowlby**. Thanks to a recent UT newspaper column, **KFR Star Realty** has stepped up to completely renovate the **Ritter Family** trailer.

Crest Kiwanis is volunteer-based. **Kiwanis members** typically volunteer each month to assist with club service projects. Our members' hands and hearts help those who cannot always help themselves.

Annually, Crest Kiwanis

- Partners with Crest Elementary (**K-Kids**), Greenfield Middle School (**Builders Club**) and assists these youth groups with their local service projects.
- Serves monthly Community breakfasts with help from Crest **Girl Scout Troop 6789**.
- Provides holiday gift baskets of food, clothing and gifts to needy **families** in Crest.
- Sponsors other youth activities (past recipients: **Boy Scout Troop 332**, **Santee softball team**, **GHHS Destination Imagination team**).
- Gives monetary support to **families** affected by wild fire, tornado, flood and shootings
- Raises scholarship funds for underprivileged kids to attend **El Cajon Recreation Department** classes.
- Provides special equipment for **Crest Elementary** School.
- Recognizes **Terrific Kids** (positive attitude and citizenship) monthly @ **Crest School**

In order for the above acts of service to continue, we need to increase our club's membership. **New members** will bring fresh energy and ideas to our club. We invite you to reach out, learn more and get involved. Dues are \$35.00 quarterly or can be paid annually (\$140.) Club meetings take place once a month in the evening and offer an atmosphere of fun, learning and fellowship. For an application and answers to questions, please contact **Suzanne Mullins** 619 579 7120. *Together, we can change the world, one child and one community at a time.*

Next Community Breakfast: January 26 & February 23 8:00 – 10:00 a.m. Community Clubhouse

About Crest Life in the 40s in Crest

(Thanks to the Historical Society – Taken from the Echoes July 2001 Newsletter and the El Cajon Valley News –March 1947. Pictured is the La Cresta General Store in 1949

The 1940 Census shows a population of 200 and a \$220,000 property valuation. Between 1941 and 1947 the population jumped from 200 to 1000. Crest Village was considered to be the most up and doing community in the valley. The 1943 Property value statistics show a rise from \$2,500 for a two-

bedroom house (1943) to \$6,000.

During the war years, the week-end cabins became permanent homes with the population rising to approximately 1300 people. The community had its own aircraft warning service, air-raid service, fire department, Red Cross and most of the eligible men were either in defense work or in the service.

In the late forties and into the fifties, most families had only one car. That car was used by the working member of the household every week-day. Weekends it was used for grocery shopping, errands and family entertainment. So when door to door deliverymen began appearing on the hill, most ladies of the house were happy to see them.

The Fuller Brush man brought mops and brooms, brushes of all kinds and cleaning supplies. There was the man who picked up your dry cleaning and returned it the following week. From the Watkins man we bought spices, flavorings, cold preparations, ointments and various remedies.

Conklin's Bakery on El Cajon Blvd sent out delivery wagons one day a week. There were double doors at the rear of the van with pull out drawers that held bread, rolls, cakes, pies, donuts and all manner of baked goods. Many pots of coffee were perking while waiting for the bread-man to deliver his wares.

There was the man from Golden Arrow Dairy who delivered milk, half and half, cottage cheese and other dairy products. No one locked their doors in those days, so if you weren't home your milkman came in and put your order in the fridge, adjusting your order as necessary to leave more or less milk as needed. And for some reason milk always tasted colder and more refreshing when poured from a glass bottle instead of plastic or wax cartons. Probably not, but they are good memories anyway

For more information regarding the Crest Historical Society, attend a monthly workshop which meets the first Tuesday of each month at 1 pm at the library. One general meeting is held a year. This meeting will be held Jan 8 at 1 pm at the Library.

Alpine Woman's Club Open to East County Women

The Alpine Woman's Club is having their next monthly luncheon on Tuesday, January 15th at 12:00 noon. For our program, our President, and co-owner of Save-A-Heart, the CPR Pros, will be sharing the new guidelines for CPR and demonstrating the Heimlich maneuver. The luncheon is open to all East County women as well as past and future members. You're invited to come and enjoy good food and entertainment, make new acquaintances and learn an invaluable skill in saving someone's life in an emergency. The Club is located at 2156 Alpine Blvd., Alpine, CA 91901. For more information, please contact Judy Grant at (619) 445-1987 or email alpinejude@yahoo.com

Next Crest Sun Deadline: February 20, 2013
