Sheriff's Holiday Watch Crime Prevention Article 2012 by Paula Dickenson

"It's the most wonderful time of the year!"... so the song goes. Unfortunately, it is also a time which brings out the seeder side of people looking to take advantage of busy and distracted shoppers and those going out for a day or night of holiday festivities.

Welcome to our 2nd annual "Holiday Watch" to keep you safe! Criminals do not take off for the holidays and neither will our deputies.

Crime Prevention consists of public awareness & education. We will be providing holiday safety tips, flyers and online Holiday Safety information through our Networks and Sheriff's web site.

The Sheriff's Department is just a phone call away! We ask **if you see any suspicious activity, call immediately ** (858) 565-5200**.**

We wish everyone a safe and joyous holiday season! It is a privilege to serve and inspiring to be part of a community that has a genuine concern for one another and especially for those who are less fortunate. We take this opportunity to count our blessings, especially those which we serve.

Sheriff's Holiday Watch Tips: Let's Talk Turkey!

"Over the mountains and through the woods, to grandmother's house we go." Thanksgiving comes to mind every time I sing this to my grandkids. But it is also the time when busy people become vulnerable to crime. Even though you are rushed and thinking about a thousand things, we urge you to stay alert. Criminals do not take a holiday and look for opportunities to victimize you!

Travel safety and prevention tips have taken on a new meaning during tough economic times. Opportunistic thieves may be looking for unprotected homes or pre-occupied travelers. Thanksgiving is the busiest travel season of the year.

Safety begins at home

- Make sure your house looks "lived-in" when you are away.
- Lock all doors and windows, set household lights on timers.
- Trim your hedges/bushes so thieves cannot have a place to hide. Have a neighbor park a car in your driveway to make it appear as if someone is home.

- If you have an alarm system, use it to control access points.
- Ask a trusted neighbor or friend to watch your house.

Watch out for clever criminals

- Do not stop if your car is bumped from behind or if someone says there is something wrong with your car.
- Go to a well-lit, populated area and call for help.
- Fill the gas tank before dark. If alone, lock your doors when you leave to fill the gas tank.
- Upon destination arrival, remove valuables from your car/lock the doors.

Safety away from home

- Carry money separately from credit cards.
- Do not overburden yourself with packages to avoid being an easy target.
- Stick to well-lighted and well-traveled streets at all times.
- Select ATM machines in visible, well-lighted locations.
- Do not leave valuables in your hotel room. Most hotels have safes for guest use.
- Keep your hotel room door locked, even when you are inside.

Having timers for your lamps is a great crime prevention tip, indicating that someone is home, even though you are just getting off work.

In the next few weeks, Crime Prevention, Sheriff's Senior Volunteers and Deputies will be implementing our annual "Holiday Watch" program. This provides the communities we serve with enhanced crime prevention information and additional patrols. This is a county wide Sheriff's assignment for our law enforcement and professional staff.

Neighborhood Watch and or Business Watch signs and Reporting Suspicious Activity are two key ingredients to keeping the criminal element aware we are in partnership and eyes are watching! We would encourage neighbors get together and purchase a Neighborhood Watch Sign. Sharing the cost of a \$25 - \$50 Neighborhood Watch Sign is one way we can let the bad guys know to "stay out!" Alpine Women's Club

Do you enjoy decorating for the Holidays?

The Alpine Women's Club will be having their Eighth Annual "Christmas in Alpine" Home Tour on Sunday December 9th from 10am to 3pm. We're looking for 5 homeowners who enjoy decorating their homes for the Holidays. You decorate your home; we do the rest. We provide docents at your home to welcome people, show the decorated rooms, and answer any questions. The AWC takes out an insurance policy for each homeowner, and booties are available to protect your flooring.

If your house is for sale, this is a great opportunity to showcase your home. Each year more than 100 people buy tickets for the tour. This fundraiser helps to pay for the scholarships we give away each year. Since 1950 the Alpine Woman's Club has given away more than \$90,000 to exceptional Alpine high school seniors who are college bound. The proceeds also go towards the preservation and maintenance of the Historic Town Hall, which was built in 1899. In 2006 the Town Hall was designated an historic site by the San Diego County Historic Site Board.

If you are interested in learning more about how you can become involved or know someone who would be interested please contact Rita David at (619) 722-1247, or email rdavid17@cox.net

A Sad Farewell to Lenardo Pizzeria & Restaurant

Dear friends & family of Crest,

We are sad to say, due to the new terms of a new contract, we are no longer going to be in business. It has been 10 great years and it is the hardest thing to say, but we cannot comply to the new terms.

We would like to take a moment to thank all of our customers for your loyalty & support to this family business. If it was not for this great community, Lenardo's Pizzeria would not have been a 10 year success!!!

In the mean time, we are searching for a new location for Lenardo's Pizzeria. We will keep the community up to date on our progress.

Thanks for your support,

Lenardo Pizzeria & Restaurant

CREST COMMUNITY ASSOCIATION NEWS:

Acoustic Crest – November 11. Noon to 7 pm

We want to encourage everyone to attend the upcoming Acoustic Crest Music and Craft Show which will be held Sunday, November 11 at the Clubhouse. Thanks to Cathryn Beeks for organizing this great get together with fabulous local artists. Tickets are now for sale for only \$10 and can be purchased online at listenlocalsd.com. Also a craft fair will be held on the grounds of clubhouse prior to the concert from noon to 4 pm and is open to all at no cost. The concert starts at 3 and runs until 7 pm. Proceeds from the event will help support the CCA. Come by for music, shopping and a snack and a bit of Crest hospitality. It is going to be a great event!

everyone's busy schedules.

There will be no CCA dinner held in November due to

Mark your calendars for the Holiday Santa Party on Friday, December 14th at 6:30. Watch the calendar since we are still waiting for a confirmation from Santa and everyone knows how booked up he is this time of year! Santa will arrive at 6:45 so come on by and bring a dessert to share. Drinks will be provided along with lots of holiday spirit!

"Coffee with Diane Jacob" will be held on January 18th at 8:30 am at the Clubhouse. Stop by for a cup of coffee with your county supervisor, share your concerns, and allow her to bring you up to date on issues regarding your community.

HELP!

Have you signed up to be a member of the Crest Community Association? We cannot emphasize how important it is to support your community association. Unfortunately membership is down and expenses are rising. Your \$35 membership (or less if you are a senior) helps to pay the \$600 monthly obligation association with the clubhouse. The lack of community support and participation is entering a critical phase. We need your membership, we need association members willing to serve on the board to fill current vacant positions, and of course we need community support to keep the association alive. Can you imagine Crest with no July 4th parade, monthly dinners, music nights, Santa parties, newsletter, or central clubhouse in the event of a disaster? We need your help and support. What can you do to help?

- Join the Crest Community Association – (Family \$35; Individual \$25; Senior (65+) \$12 Business\$50; Lifetime \$500) CCA 113 N Park Dr El Cajon CA 92021 email: Jackie Grace @ mama3@cox.net.
- Volunteer to be a Board Member – (attend meetings once a month and help to make decisions regarding the CCA issues). Attend the monthly meetings as a member and help make the association a strong working group.
- Volunteer to help with fund raising ideas to help support the clubhouse.
- Support the CCA dinners and events which are the primary source of support for the clubhouse
- Rent the clubhouse for your next event. Thanks to Dave Silva who has recently taken over the rentals. Check out the crest website at www.thecrestsun.com for more information on rentals or email rentals@thecrestsun.com for additional information or call Dave at 320-8021.

**Saturday November 17, 2012, 9:00am-1:00pm:
 Cactus Monitoring on the San Diego National Wildlife Refuge**

Join refuge staff to make important observations about Coastal cactus wrens. Cactus wrens are fairly common in the desert, however, in coastal Southern California they are declining because they rely on a rare habitat type cactus scrub especially prickly pear and cholla for nesting, foraging, and protection. Unlike most other birds, cactus wrens use nests year round for roosting (sleeping); they build a covered, football-shaped nest with grasses and other vegetation. The small populations of coastal cactus wren in Southern California are becoming more and more isolated from each other because of habitat loss and fragmentation due to urbanization and wildfire. Active restoration is underway on the San Diego National Wildlife Refuge to accelerate habitat recovery for the coastal cactus wren.

Guided by refuge biologist, John Martin, volunteers will visit the restoration sites to observe and record the condition of the cactus, the wrens, and any invasive plants or animals. Wear long pants, a hat, and sturdy shoes. Bring sunscreen or rain protection, as the weather indicates. Bring water and a water bottle if you have one. Tools, equipment, water and snacks will be provided. We are happy to sign for community service or extra credit hours. To RSVP, and for directions or more information, contact Cathy Chadwick, info@earthdiscovery.org or 619-447-4715.
