

A Newsletter for Crest

Volume 15

September/October Issue 2012

Number 5

I can't believe the summer is over! I'm not sure if the seasons are coming around faster or I'm just getting older!

I hope you like the new look of The Crest Sun. Your comments are appreciated.

Please be sure to read cover to cover as we have added some new news. We have a birthday in September (I'm sure we have more than one, but only one person contacted me). Check out the recipe for a Halloween treat as well as all the activities at the library (page 5) and elementary school. One of our newest residents, who has some special talents and is already contributing to her new community, writes about how she feels about Crest and what brought her and her husband here. If you don't belong to the CCA, please do so as this is how we keep the community activities going. There is an application on page 4. If you have ever been interested in making wine, check out the article on page 13. I found out when calling all our wonderful advertisers that Lenardo's Pizza will be closing around October; therefore, they will no longer be advertising in the newsletter. We are sorry to see them go as their food is absolutely delish!

Though the newsletter is "free", we do ask that you pay a small donation so we can keep the paper alive. This is a volunteer effort, but we do have to pay for printing, so please keep that in mind when you pick one up at the various locations around town.

If you want to contribute an article or event, or want to advertise, please be sure to send your request, via email to: editor@thecrestsun.com
Thanks!!
Lucy

Back to School – August 23, 2012

As you are all aware, the end of August marked the opening of the school year 2012-2013. Please be extra careful driving in that area as our little ones are walking to and from school. The following article on page 2 is from Paula Dickenson of the Sheriff's Department.

Interested in Working the Polls for the Upcoming Election?

Anyone who is interested in working the polls in November at the Crest Community Church should call Diana. They are looking for a Precinct Inspector (\$175) and Assistant Inspector (\$150) and clerks (\$100). Further info [p://www.sdcounty.ca.gov/voters/Eng/Epw.shtml](http://www.sdcounty.ca.gov/voters/Eng/Epw.shtml)

Beat the Bully!!

By Paula Dickenson, Alpine Sheriff

paula.dickenson@sdsheriff.org

Bullies are scary - to adults, to seniors and especially to our children. As a new school year begins, let's watch for the signs so that your child does not become a victim of bullying! Here are a few effective ways to protect your child at school.

Know the Types of Bullying: Verbal, Social, Cyber and Physical. In the past, we have thought of bullying as Physical (hurting someone physically) however, over these past few years (most common reason for teen suicides) bullying has become Verbal, Social and Cyber.

Watch for Quiet or Silent Symptoms: Changes in behavior, recurring or excessive "illnesses" such as headaches, stomach aches, reluctance or refusal to attend school. Unusually hungry after school and eats the equivalent of a meal, they may be experiencing being "bullied" into relinquishing their lunch.

Listen and Take Action: Encourage your child to talk with you routinely about what happens at school. Respond to your child's anxiety or concerns with love and patience and never minimize their feelings. Keep a log of events that your child describes; include times, dates, locations and the nature of the bullying. Then, work with the school to develop an action plan. Crime Prevention Specialist Paula Dickenson, Alpine and East County Rural, provides information, brochures and presentations on "Bullying Hurts!" to all age groups, beginning at the K thru 6th grade level. She can be reached at 619 659-2608. You can also contact your local law enforcement agencies for additional information and presentations.

LOVIN' CREST!

By: Cathryn Beeks

We're new to Crest; we love it here! Back in March my husband and I realized our dream of getting a little "further out" when we stumbled on a rental here in Crest that seemed as if it was custom made just for us and our small family of rescued pets.

Once we settled in and started exploring our new community, it became quickly apparent that this place is very special. Not only because of the visual beauty of the surroundings and the views, but the people. Most of the folks we've met thus far have been incredibly friendly and welcoming, but it's more than that... it's a bond the people who have been here for a while have with each other

that is so special: a bond that only comes from living through what most of you did back in '03. We lived in SD then but will never grasp the enormity of what happened here... only those who lived through it can. I found a story by Betty Lucas (<http://www.thecrestsun.com/thecrestfirebybettylucas.pdf>) and it gave me a better idea, but still, I just can't imagine. As I learn more about that time and the years following, I see all the positive things that have come from a community holding on to each other for strength and support and, literally, rising from the ashes. The story of the clubhouse, just one example, it's beginning and it's rebirth... so inspiring! I've also learned that costs to run the clubhouse are almost \$600 a month and the CCA is finding it difficult to raise enough funds to meet those needs. As new residents we plan on joining the CCA. I understand a letter will be coming out soon regarding memberships. I know from my own experience that it can be difficult to find volunteers to help with community events, but sometimes it's as simple as getting the word out to everyone.

Thankfully, the Crest Sun Newsletter is back in action, and I recently discovered their facebook page. It has all kinds of great information, and since Crest folks can "like" the page and post their own thoughts, news or questions, it's a great way to get to know neighbors you may not already know. You just search "crest sun newsletter" on facebook.com. That's just one of the resources that can help us all grow a little closer AND raise awareness about this amazing place.

I felt compelled to write this as an entertainment and event coordinator who sees the value of the clubhouse as a venue for community activities and a place to hold events open to all that will raise money to ensure its stable future. I'm looking forward to hosting more events like "Acoustic Crest" that will entertain our neighbors, bring nice folks up the hill and a little dough to the area, too. We're proud to be part of this community, my hubby and I, and we can't wait to get more involved and help out and meet other neighbors. In the meantime, please visit my website at www.listenlocalsd.com for info about musical events of various genres happening locally, and if you're a musician, please come play! I also host a local music radio show on Sunday nights on 102.1 KPRi called The Homegrown Hour. If you have studio-produced songs you'd like to submit, please send mp3s to Cathryn@ListenLocalsd.com. Looking forward to meeting you and enjoying some music in the clubhouse with you soon.

Crest Community Association

By Linda Hjelle

How many folks does it take to make a July 4th event? LOTS...

It always amazes me how our community members step up when needed to make Crest shine. Our July 4th event is one such example of Crest at its best. So many folks joined in and participated in the festivities. I fear I do not have all the names of our many volunteers, so if I inadvertently omitted your name, please let me know. You deserve all the kudos we can give, and we want to make sure you receive the credit due you. From the heart of the CCA board and the community. THANK YOU SO VERY MUCH.

A Special Thanks to our beloved Leaders: Permit Process and Event Chair:

Kevin Nelson, Karen Nelson, Don Halte!! THANK YOU, THANK YOU, THANK YOU!

Traffic Control Chair: Grant Clinger Vendor Chair: Barbara Kingsbury Silent Auction Chair: Lucy Cafiero
Music Chair: Chris Seebold Food Chair: The Kiwanis Recycle/Trash Chair: Cathy Chadwick Parade Chair: Tom and Dan Wilson.

Our beloved Helpers: Kandhy Franklin, Paul and Jeanne Johnson, Linda & Jerry Hjelle, Rick Bradt, Erin Warnok, Karen and Richard Brown, Dennis Plunkett, Linda Chase, Leslie Philips, Suzanne Mullins, Dennis Thorpe, Jerry Harpenau, Wayne and Yolande Johansen, Dean Sheppard, Debby Swain, Gail and Mick Luhnaw, Stephanie De Los Reyes, Mike and Lisa Winters and family, Mary Tolle, Larry Fite, Paul & Margie Curtis, Risa Goldberg, Rick and Gail Barclay, Kathy Sawaya, Grant & Pam Mitchell, The Goldman family, Debbie Milligan Fox, The Crest Boy Scouts, Carol Gilmore, Crest Community Church, Brad Halte, Pat Bunsold, Andy Knutson, David Secor, Mary and Don McClellan, Barbara & Jim Wiseles, Barbara Halte, Trish Mckinna Weir, Kathy Sawaya; Brenda Markert; Cathryn Beeks; Lori & Matt Johnson. Janice Florence; Kathy Fiedor; Dave Silva Dorthy Miller, Gilbert Mastri, Liz Clarno, Jamie Brown, Dennis Sempsrott, Karen Holloway, Jaime Brown.

To All our beloved Parade Participants: You are the heart and soul of our event! Special thanks to our Grand Marshals: Dewey and Bill Jenkins and Cassie Kunze.

A big thanks to our super Vendors, we hope to see you next year.

Thanks to our super auction donators: Sylvia Binley, Kathy Kaderbak, Jessica Evans, Brook Seebold, Paul Curtis, Joetta Shipley, Willa Winters, Mike and Katy Bosell, Martha O'leary, the Bunco Babes, St Louise Catholic Church members, Jackie Grace, Dennis Thorpe, CCA; Kiwanis, Risa Goldberg, Linda Hjelle, Carol Gilmore, Andrea Johnson, Susie Halstead & Dennis Karnowsky, Sue Steveson, Cindy Cameron, Sue Trafton, Shelley Harpenau, Yvonne Daley, (many more of you are listed above).

Additional Thanks to: The San Miguel Fire Department, The County of San Diego, The Alpine Sheriffs, CHP and Volunteers.

CCA Needs a TV and DVR

Unfortunately the CCA TV and DVR have both "bit the dust". If anyone has a TV or DVR that is in good condition (preferably a flat screen since it must be tucked away during events) that they would be willing to donate for use for the clubhouse activities, and in the event of a disaster, it would be greatly appreciated. Please email LindaHjelle@cox.net or call (619)517-9838.

CCA News:

The Community Association needs the support of the community to keep our clubhouse up and running. Are you aware that it takes approximately \$600 a month to pay the upkeep on our beautiful clubhouse (utilities, taxes, insurance, maintenance)? Without additional community support, we run the risk of losing this fabulous building. The clubhouse is the center of our community and has served a critical role during the times of disaster. We are losing money each month and we need to keep a reserve in the event of emergencies. Our fundraising efforts are not sufficient to pay the overhead and our membership is down. We need your support. What can you do to help?

1. **Join the CCA.** By joining the CCA you are helping the CCA to stay solvent. While we would love your volunteer support and attendance at all the functions; if all you can do is be a member, we thank you for your support. Complete the application below and please send it in today.
2. **Become involved as a CCA Board Member or member of the nominating committee.** Are you a current member of the CCA or plan to become one? We currently have two openings on the board and are looking for interested members to consider a role as a board member or members will be on the nominating committee to help fill the positions. If you are interested, please email Barbara_Kingsbury@yahoo.com or LindaHjelle@cox.net (619)517-9838
3. **Join in our activities and help support the clubhouse.** Not only are the many activities held at the clubhouse meant to bring the community together, but funds generated from these donations help support the clubhouse. So drop by, join in the fun, and support our community. Do you have a great fundraising idea to help us out? Let us know! Email: LindaHjelle@cox.net.

CCA Clubhouse Events:

September 5, 5-7 pm Community Dinner at the Clubhouse. Greek Chicken is the featured menu item. Can you help out by donating money, food or time? Call Sally Bruner at 579-9862 or email her at Sallybruner@cox.net. While she works wonders with a limited budget, she can't do it all alone! She needs a few good folks to donate some of the bulk items, to help serve, cleanup, or setup. Give her a hand; she works so hard!

October 3rd Dinner at the Clubhouse 5-7 pm – Watch the blackboard for this Halloween themed dinner.

October 27 – Music Night 6-10 pm – Dave Silva and Tom Bair host along with their special guests

November 11 3-7 pm: Acoustic Crest Returns – Features 12 artists in the round. Keep your eyes on the board and in the next edition for more information.

No Bingo this month – watch chalkboard for next Bingo night.

JOIN THE CCA AND SUPPORT YOUR COMMUNITY AND CLUBHOUSE

Membership runs from July 1st thru June 30th each year

Send this completed form in or bring it by the next meeting or dinner
with your check or cash.

Make checks payable to: Crest Community Association
113 N. Park Dr. El Cajon, CA 92021

Membership levels/ Please circle one

Lifetime \$500 / Business \$50 / Family \$35 / Individual \$25 / Senior (65+) \$12

Play the game of Clue Tuesday October 2nd at 6:00 pm

Come use our garden kiosk, find environmentally safe ways to get rid of garden pests

FALL FESTIVAL & TRUNK OR TREAT EVENTS!!

This year the events will take place at Crest Elementary School on Saturday, October 27th. Following the festival, as tradition has it, we will do the trunk or treat. Crest Residents will dress up (if they want to) and open their car trunks on the lower field behind the school and hand out candy to our little ones who will trunk or treat!

As Students of the Holistic Approach, we know the importance of balance between Mind, Body and Spirit. As each one directly affects the other, we are motivated in providing services that can dramatically improve your quality of life. We are dedicated to promoting body work as a basic necessity rather than luxury being as it is the best method of preventative medicine and also assists greatly in the healing process. Our massages are customized for each client to meet the desired results and bring true balance to your body.

By: Ily Maize Peri-natal Massage

Perinatal Massage encompasses a woman's three transitional stages of motherhood. Before conception, during pregnancy and after birth, massage can regulate hormones and in turn reduce stress which can increase the chances of getting pregnant. It also can help release tension in the low back and uterus opening up a woman's womb and preparing the fibers of the uterus for the next stage, pregnancy. Massage can do wonders not only to the mother to be but also the growing fetus. Studies are showing that massage during pregnancy ensures the proper balance between both fore and hind brains reducing the chances of a child being born with overactive stress responses to situations and environment. For Mom, massage during pregnancy aids in overall emotional and physical well being. Emotionally, comforting touch while pregnant prepares and supports the comfort and nurturing energy Mom will provide for baby. Massage helps increase bonding in this way. Physically, massage can reduce stress causing tension, assist in pain relief of the hips opening and preparing for labor, promote circulation, promote better sleep, reduce swelling, and relieve low back pain and more. Studies are linking the way we bring our children in to the world and their temperament as they grow. Since memory storing starts as early as a fetus in the womb, labor massage greatly promotes a calming and nurturing energy and can greatly assist in creating a more relaxing environment baby will benefit from. This stage can be viewed as the most important being as it is the first introduction baby has into his/her new world. After birth, postpartum massage can do wonders in the healing process that occurs after a new mother has given birth. By increasing circulation and reducing stress hormones, massage can help increase the flow of mothers milk. Breastfeeding is a different experience for each Mom and sometimes a little help can go a long way. There are also wonderful techniques that can aid in the recovery of Mom's new tummy, helping return the abdominal muscles to their proper placement as best as possible. For a new Mom who experienced a cesarean birth, massage after the healing process of the incision area can help relax muscle fibers, heal scar tissue and foster abdominal strengthening. During postpartum massage Mom can bring her new born into the sessions with the therapist. While Mom holds feeds or just lays with her new baby, the therapist massages available areas of the body and also shows Mom infant massage techniques she and her partner can use with their new born. With the guidance and advice of a prenatal care provider, massage therapy can be incorporated into routine prenatal care as an emotional and physical health supplement proven to improve pregnancy outcome, and maternal health.

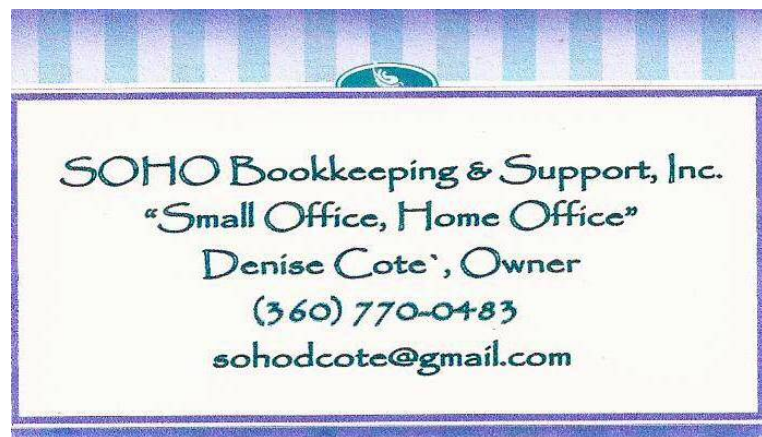

Fire Protection News:

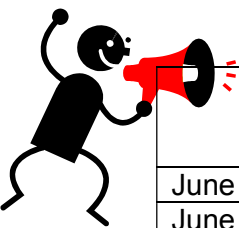

Crest Fire Safe Council: This year Crest Fire Safe Council has once again been awarded a \$2,500 grant for emergency items needed for Crest and surrounding communities. At the 4th of July festivities, CFSC met and joined forces with the Amateur Ham Radio Club of El Cajon. After many discussions and attending a couple of their meetings, it was discussed that the repeater which is 40 years old and sitting atop the Crest water tank, is not dependable and needs to be replaced. CFSC has decided to purchase the equipment and donate the repeater to the club. This repeater will be able to service not only Crest but El Cajon, La Mesa, Spring Valley, parts of Lakeside, and Harbinson Canyon. Having this repeater up, will be an integral part of the Crest emergency communication system. The Ham Radio club has also offered to be a member of the Crest Community Association and to help the Crest CERT team as well as the CFSC in setting up an incident command center. We are lucky here in Crest to have them as well as Pat Bunshold, our own Crest resident who installed the ham station in the clubhouse.

CFSC would also like to mention that it is really time to check your "to go" bag for evacuation and to make sure that the council has the up to date numbers for you. Remember that we can reach your home, cell, and work numbers all within 7 minutes, and this service is FREE!! If you have any questions talk with your neighbors who get the calls or emails, I think you will be pleasantly surprised. If you have a computer, you may email your information to: kandhyfranklin@cox.net.

For the last 3 years, you will notice that the fire break is being maintained. This work is being done by Johnny Gonzales and his goats. His company is: Environmental Land Management. They use men, machines and goats. You may reach him at 619-234-4555. CFSC is working on a grant for the rest of that east and south side of Crest. There has been some interest from some of the residents from the south side of Crest. If you would like to receive more information on this subject, please email Kandhy. The process is at least 2 years from start to finish.

Crest Tidbits:

Happy Birthday!!!

Crest Resident

Dahlia Irene Schumaier will turn ONE on 9/22/12!

CAJON VALLEY UNION SCHOOL DISTRICT SCHOOL BOARD

Suzanne Mullins, Crest resident since 1987 and Crest Kiwanis member, is running for re-election to the Cajon Valley Union School District School Board. "Children and public education have always been a priority in my life. My qualifications include 34 years of teaching the children in the Cajon Valley Union School District, a weakness for volunteering and four years on the current Cajon Valley Board. I want to keep Crest Elementary open, continue the work the board has started, and give parents choices for their students attending Cajon Valley Schools", says Mullins. The current school board has worked extremely well together over the last 4 years, and as Mullins points out, Ken Jensen is also running for re-election. To insure education excellence in El Cajon, modernized classrooms, and fiscally sound decision-making, cast your vote November 6th for Suzanne Mullins and Ken Jensen.

\$2.00/PER PERSON ADMISSION DONATION FOR THE CCA
(KIDS FREE)

For all you winos out there!!!

The link below is to the Cuyamaca College, Continuing Education, preview classes in Food & Wine. The school is offering Your First Vineyard, Parts 1 & 2, and General Viticulture Parts 1 & 2. Each part is a six week class. There are also 2 single night wine tasting classes.

There is a bit of growth spurt in the county in grapes for wine and in wineries. The county recently updated its zoning to allow small "boutique" wineries and tasting rooms in areas that were zoned strictly for agriculture or rural, which precludes opening a business or processing facility, unless a "Major" land use permit application is made, which can cost hundreds of thousands. With the new ordinance, the process is simplified and size limits set for wineries and tasting rooms. There are now over 20 in Ramona, about 4 or 5 in the east county hills, over 50 growers, and even Mt. Helix has a new vintners or growers organization.

The school began offering classes this year and has seen strong enrollment.

The Earth Discovery Institute Crestridge Ecological Reserve Summer 2012 Formula for Success

It's back-to-school time in San Diego County. Help us make it back-to-nature time with **EDI's Formula for Success: 3X30=1 3, You + 2 Friends (or we'll match up your donation with others) each contribute \$30 monthly for a year to bring 1 entire class of students to learn about science and the environment in nearby nature.**

Last year, EDI served over 3,000 students from 5 school districts, inspiring them to Explore, Discover, and Invest some time to help nature. Your support is essential to keep our work at this level. View our profile and make a donation at:

<http://bettergivingsd.guidestar.org/NonprofitProfile.aspx?OrgId=31265>. On the donation page, select 'ongoing donation' to make a monthly contribution. Send this newsletter to your friends. Try to build a team of 3! If you participate in the Formula for Success (individually or as a team), you will receive acknowledgement from the students whose participation you have supported. **Call 619-447-4715 for more information or mail your contribution to us at 120 North Park Drive, El Cajon, CA, 92021. ALL contributions are appreciated.**

Crest Artist and his Recycled Creatures Benefit Crestridge Ecological Reserve

Local metal sculptor, Gabe Seebold is creating amazing animals and other sculptures entirely from recycled materials. And, as a great supporter of Crestridge, he is donating part of the profits from some of his sales to EDI for the benefit of the reserve. Learn more about Gabe and his Crest Creatures at http://crestcreatures.com/Crest_Creatures/Home.html.

Website: New and Improved!

We've been working hard to make our website better in lots of ways... more reflective of what we do, more informative to you about not only EDI's work but habitat information and resources. We've also got a great new list of events and calendar. Check it all out at www.earthdiscovery.org.

Recent Donations

Many thanks to the Crest Kiwanis Club and to Karen Nelson for contributions to help us replace education and volunteer supplies that were stolen in May. Karen purchased and delivered over \$250 worth of items and the Kiwanis members make a donation of \$500. Security has been beefed up and we are very grateful for this support.

Partners n' Projects

Over the summer we have been working with our many conservation partner organizations to support their work by...

Collecting native seeds for Conservation Biology Institute

Caring for a riparian restoration area for the Bureau of Land Management

Grooming native plant gardens for the Department of Fish and Game and the Endangered Habitats Conservancy

Teaching native seed collection to the Youth Conservation Corps of the US Fish and Wildlife Service

Badgers and Habitat Conservation

Crestridge ER and lands of several other EDI partners were included in a research project being coordinated by the US Geological Survey in San Diego County that seeks to better understand habitat connections and wildlife corridors by making observations about the presence and movement of badgers. Carlton Rochester of the USGS provided this summary:

“USGS – San Diego County Badger Surveys:

Badgers (Taxidea taxus) are wide-ranging mid-sized predators that are known to inhabit San Diego County. Like mountain lions, they are known to range over wide areas, often making movements of 10km or more per day. Therefore, they are a suitable focus species for monitoring regional-scale connectivity. Unlike mountain lions, they are more common in open or grassy areas, and thus are indicators for connectivity for a different suite of species. Their primary prey are small mammals such as rabbits and squirrels, which are more widely distributed than the mountain lion's primary prey, mule deer. However, we have little data on the movement and habitat use of badgers in San Diego County. The objective of this study is to identify badger locations in San Diego County using canine scent detection. This method is advantageous in that large areas can be surveyed in relatively little time for badger scat, giving us information on badger home range locations and habitat usage within the county. We hope to build upon this information in future years by analyzing badger movement using radio-telemetry techniques.

In coordination with the wildlife agencies and the SDMMMP, USGS prioritized areas for badger occupancy surveys. Focal survey areas were in and around MSCP lands, but surveys extended across the county. The field surveys utilized an experienced scent detection canine and handler who were trained to detect badger scent/scat (Conservation Canines, University of Washington). GPS locations of each badger scent detection location, any burrows observed, and the habitat/vegetation community in the proximity of the detection location was recorded. Any scat detected was collected for potential future DNA or dietary analysis. In order to maximize effectiveness of the surveys, the canine was unleashed at times during the surveys under complete voice control with the handler.” USGS Contacts: Cheryl Brehme, cbrehme@usgs.gov; Carlton Rochester, crochester@usgs.gov; Robert Fisher, rfisher@usgs.gov.

The study was also featured in an article in the San Diego Union Tribune in 2011. You can read that at

<http://www.utsandiego.com/news/2011/dec/07/sniffing-out-badgers-backcountry/>.

The Mission of the Earth Discovery Institute is to build environmental stewardship through innovative, effective science education and community outreach programs that are directly integrated with ecological conservation

Recipe of the month!

EASY, EASY PUMPKIN BARS

Ingredients

Bars:

- 4 eggs
- 1 2/3 cups granulated sugar
- 1 cup vegetable oil
- 15-ounce can pumpkin
- 2 cups sifted all-purpose flour
- 2 teaspoons baking powder
- 2 teaspoons ground cinnamon
- 1 teaspoon salt
- 1 teaspoon baking soda

Icing:

- 8-ounce package cream cheese, softened
- 1/2 cup butter or margarine, softened
- 2 cups sifted confectioners' sugar
- 1 teaspoon vanilla extract

Directions

Preheat the oven to 350 degrees F. Using an electric mixer at medium speed, combine the eggs, sugar, oil and pumpkin until light and fluffy. Stir together the flour, baking powder, cinnamon, salt and baking soda. Add the dry ingredients to the pumpkin mixture and mix at low speed until thoroughly combined and the batter is smooth. Spread the batter into a greased 13 by 10-inch baking pan. Bake for 30 minutes. Let cool completely before frosting. Cut into bars.

To make the icing: Combine the cream cheese and butter in a medium bowl with an electric mixer until smooth. Add the sugar and mix at low speed until combined. Stir in the vanilla and mix again. Spread on cooled pumpkin bars.

CREST KIWANIS

**Join us for our delicious Kiwanis
Breakfast at the Clubhouse from 8- 10:00
On Sept 22 and Oct 27**

Crest Kiwanis will kick off the year with an installation dinner for our new officers and some very interesting programs. We continue to support Crest School with our monthly "Terrific Kids" awards for excellent effort and citizenship which is the K-Kids, our Student Leadership Project. Let's help serve as examples of what it takes to make a healthy and supportive community.

Crest Kiwanis welcomes our newest members:

Jim and Barbara Weselis, Dave Secor, and Kevin Delly. Would you like to join Kiwanis? If so please come to our general meetings which are held on the 3rd Monday @ 6 p.m. of each month at the clubhouse or contact us @ 619-246-4300.

We are gearing up for our 14th Annual Golf Tournament, October 5th. This is our biggest fund raiser for the year. We team up with the El Cajon Recreation Department to provide scholarships for needy children to attend after school programs and athletic programs. We welcome your participation. Please see the press release for this very fun event.

ALL FORE R.E.C. Golf Tournament October 5, 2012 Sycuan Resort

The City of El Cajon Recreation Department, together with Crest Kiwanis, are proud to present the annual ALL FORE R.E.C. Golf Tournament. The tournament will be held at the Sycuan Resort on Friday, October 5, 2012. All proceeds from the tournament directly support activities that develop youth and provide positive choices through youth activity scholarships, youth sports, recreation classes and after-school programs. Entry fee is \$130 per person and is required by September 21, 2012. Entry fee includes tee package, golf shirt, boxed lunch, green fees and cart, raffle prizes, special giveaways and buffet dinner. Sponsorship opportunities are also available! The tournament schedule will be as follows:

- 10:00 a.m. – Check in
- 11:00 a.m. – Putting contest
- 11:00 a.m. – Driving range available
- 12:00 p.m.– Shot gun start**
- 5:30 p.m. – Buffet dinner, auctions & awards

For more information on the tournament as well as sponsorship information, please contact the El Cajon Recreation Department staff, at (619) 441-1673.

CREST-DEHESA-GRANITE HILLS-HARBISON CANYON SUB-REGIONAL PLANNING GROUP

Mailing address: P.O. Box 21489, El Cajon, CA 92021

e-mail: wrplanning@aol.com website: www.crestplanning.org

The mission of the sub-regional planning group is to advise and assist the Director of Planning, the Planning and Environmental Review Board, the Zoning Administrator, the Planning Commission and the Board of Supervisors in the preparation, amendment and implementation of community and sub-regional plans.

Meetings are held the 2nd Monday of each month at 7:00 pm. Locations rotate between the Dehesa School, The Crest Community Center, and the Harbison Canyon Community Center. Meeting agendas, minutes, locations, and planning commission documents may be found on their website at www.crestplanning.org. The website can also be accessed by going to the www.thecrestsun.com website and clicking on planning group or organizations.

The Following are segments from the April 9 2012 minutes regarding Crest. For a full copy of the minutes go to www.crestplanning.org:

Item 3a. Open Forum.: David Richardson, Crest, spoke to the meeting about the Quail Bush natural gas power plant project proposed for construction at the intersection of Mast Blvd. and Highway 52 in Santee, at the edge of Mission Trails Regional Park. He discussed several negative impacts of the project to the community (i.e., air pollution source close to schools and Regional Park; air pollution contributions to Cajon Valley air basin and Crest; rezone conversion of Open Space to Industrial), and reported that the Santee City Council is unanimously opposed to it. The project would be located on Santee City property. He encouraged informed community opposition to the project

Judy Bowen moved that the Planning Group retracts its previous approval of the 2011- 2012 priority list for PLDO funding, and that it approves a new 2011-2012 priority list that includes: 1) South Lane Park, construct a walking/jogging path through the park with circuit training stops; 2) Old Ironsides Park, install outdoor weight training station like Lindo Park currently has; 3) Nancy Jane Park, resurface tennis court; and 4) Recreation Programming Priority, after school programs at Nancy Jane Park for Elementary School and Junior High aged children. The motion passed (13 yes; 0 no; 0 abstain). Item 8. New Business. Implementation and maintenance discussion, and appointment of committee for official recognition of evacuation route to the west of Crest, utilizing Suncrest Truck Trail. Chairman Wally Riggs introduced David Richardson, resident of Crest, who is involved with community efforts to establish official recognition, to resolve access issues through existing gates, and to foster cooperative arrangements for the long term maintenance of Suncrest Truck Trail, so that it can serve the community as an effective emergency evacuation route to the west of Crest. David explained that the Endangered Habitats Conservancy will try to purchase the 47 acres owned by the City of El Cajon, and is willing to help maintain the road to its connection with Camino Monte Sombre. He thanked the Planning Group for its letter to the City of El Cajon Planning Department in support of the Suncrest Truck Trail evacuation route goal, and mentioned the letter encourages the City to consider selling its property to the Endangered Habitats Conservancy. David discussed other possible opportunities for strengthening community investment in Suncrest Truck Trail as an emergency evacuation route: the new CalFire Chief, Mr. Thom Porter is a potential ally in supporting the use of fees collected under authority of the State Fire Responsibility Act to help pay for upgrading Suncrest Truck 3 Trail to serve as part of the Regional Fire Plan; County Trails supporters should seek approval to use SRA funds for maintenance of trail elements that serve a fire prevention potential by providing access for firefighters and equipment to off road areas; South Lane Park could function as a hub in a Regional Fire Plan, providing space and support for evacuation of animals, parking and staging of equipment, vehicles, etc.. David recommended that the Planning Group establishes members to act as liaisons to the Crest Community Association, to monitor and track its planning for a Model Fire Prevention Plan for the trails, parks, open space and residential areas of Crest. Pat Ulm commented on the Planning Group's long-standing support for improving South Lane Park in coordination with creating a functional emergency, evacuation and fire response staging center for the Crest community. Chairman Riggs appointed the Planning Group members from Crest to serve as an Ad Hoc Committee to be involved with the Crest community planning efforts to create a Model Fire Prevention Plan, including the Suncrest Truck Trail evacuation route, and to keep the Planning Group informed of fire response planning progress.

The following is segments from the May 14, 2012 minutes regarding Crest:

In eighteen months (November 2013) the Ordinance for closing Camino Monte Sombre at Suncrest Truck Trail will expire, and it will not be renewed for a 7th time; □ The Board of Supervisors will conduct a hearing at 10 AM, Wednesday, May 16, to review the State Responsibility Area fire prevention \$150 assessment fee, which Supervisor Jacob opposes as a "triple fire tax." Judy Bowen announced that Fire Chief Augie Ghio was injured in a motorcycle accident, and he will be unable to participate in immediate negotiations and planning for the Suncrest Truck Trail emergency evacuation route. Item 7. Unfinished Business. Evacuation route to the west of Crest, utilizing Suncrest Truck Trail. David Richardson, Crest resident, reported that at the recent meeting sponsored by Supervisor Jacob concerning the Suncrest Truck Trail emergency evacuation route, Fire Chief Augie Ghio volunteered to correspond with the property owner who controls a gate where the truck trail crosses his property, and that Ghio did send a letter about this. David also reported that the County Trails Coordinator, MaryAnne ????, considers all County trails to be de facto fire breaks, and part of the Strategic Access Plans for all regions; and that the County may possibly be able to use State Responsibility Area assessment funds to help with maintenance of County trails.

Why Not Rent the Clubhouse for Your Next Event?

The Crest Clubhouse stands out as a shining star in our Community. This unique and charming "timberframe" structure with its open beam, exposed ceilings can accommodate up to 112 people.

The lovely gardens, porches and walkways provide great photo opportunities for celebrations and events. From the hardwood floors to the professional grade kitchen, you will find this facility ideal for seminars workshops, family reunions, small weddings, and social gatherings. For a brochure of its amenities go to <http://www.thecrestsun.com/clubhousebrochure.pdf>

Folks are sometimes surprised when researching the cost of the clubhouse and often exclaim to me that they think the cost is high. Remember you are paying for wear and tear on the building, for utilities and insurance, and this is also a source of revenue to pay the clubhouse monthly bills. If you have looked at other rental facilities for a wedding/event you will find the Crest Clubhouse is extremely competitive especially if you are a member of the Crest Community Association. As a CCA member the pricing structure is as follows:

- 6 hour Rental: \$175 (\$15 each additional hour until 10 pm)
- The security and cleaning deposit is \$250. This money will be returned if the clubhouse is clean and free of damage at the end of the event.
- Private insure is required in the amount of \$1,000,000. Note this is standard for all rental facilities. The clubhouse has insurance for clubhouse sanctioned events but not private events. Event insurance can be acquired either by asking for a rider from your homeowner insurance company or you can Google "event insurance" and find many online companies willing to help you out. The cost typically runs around \$100 - \$150 depending if you are serving alcohol or not. Depending on your homeowner's coverage, some companies provide a rider for free.
- You must be a member of the CCA to receive these rates. If you are a Crest resident you can join for as little as \$12 if you are senior, \$35 as a family or \$50 as a business member.
- This price includes use of the "warming kitchen", 13 6 ft tables and 80 chairs.

There are also special pricing for small parties under 20 folks for 2-3 hours for afternoon showers, etc at an hourly rate, but this does not apply for weekend or evening rentals for parties, etc. See http://www.thecrestsun.com/rent_the_clubhouse.htm for additional information including hourly rates, and non-cca members rates..

Are you looking to BUY or SELL a home?

I am your hometown realtor

I've been a Crest resident for 14 years and I am familiar with the unique issues of buying and selling homes in our community

I specialize in both traditional and short sales. With my previous experience in the loan industry I have extensive knowledge and resources available on all types of financing

Please Note: The Short Sale Tax Exemption has not been renewed, so if you have been considering a short sale of your home contact me immediately for more information!
