

-A Newsletter for Crest

Volume 13

November-December, 2011

Number 6

*"Island's in the sky" –
A drive down the grade into foggy El Cajon"*

The Crest Community would like to welcome **Father Scott Purnia**. Father is the new priest at St. Louise Catholic Church replacing Father Justin Langille who has transferred to The Immaculate Conception Church in Old Town.

CREST residents, be aware; there have been several burglaries in Crest targeting south Crest. Keep your eyes and ears open and report all suspicious activities to the Alpine Sheriff's office dispatch at 858-565-5200 or dial 911 if the theft is in progress. Details can be found on page 23.

November is a great music month in Crest with two music events in the works.

The First Annual Crest Music Festival and Youth Showcase will be held at the CCA clubhouse on November 12 from 2:30 to 9:00 pm at the CCA Clubhouse. This family friendly event promises to showcase some great young talent. Proceeds from the raffle and food will support the Crest School music program. There is no cost to attend this event. See page 7 for more

information. Thanks to Dave Jones for coordinating this unique community activity.

Our monthly music night hosted by Dave Silva, Tom Baird and their special guests Nathan Weldon and "At Any Given Time", a folk quartet. The date is November 26th from 6-10 pm at the Clubhouse. Note, the earlier start time will allow families to drop by with their kids and participate and enjoy the music (Page 6 for more info.)

Bingo is once again on the calendar for December 2nd from 7- 9 pm. While it promises to be a fun filled evening, it won't be the quite the same without our bingo caller, Dick Sutton, who sadly passed away. (See pages 6).

Note the Kiwanis breakfast has been moved to December 10th. Page 5 will bring you up to date on Kiwanis happenings.

Looking forward, what would the holiday season be without a visit from **Santa? Santa will be arriving by fire truck at the Crest Clubhouse December 9 at 6:45.** See page 13 for details..

In keeping with the season festivities, the library is sponsoring a Christmas puppet show on December 20th. Check out page 2 for a list of all their fun upcoming activities.

December is the time of the year to help the less fortunate. The Crest Community Church is once again working with **Samaritan's Purse** to make shoebox gifts for impoverished children around the world. **See page 21 for information on Operation Christmas Child.** The deadline is November.13.

Do you have a small tidbit you'd like to share with the community? Check out page 8 and email your tidbits to editor@thecrestsun.com or call 517-9838/

Crest Kiwanis

Founding member of our club, Dick Sutton, will be missed. His humor, kindness and willingness to serve is a model for all of us. Rest in Peace, Dick!

Thank you Crest residents and friends joining us in support of much needed community projects!

Crest Kiwanis celebrated their 8th year as a club, installing Dennis Plunkett as our president for 2011/2012. The theme for the dinner was "Aloha" and we had a great time with Hawaiian food and decorations! Among our honored guests were the new Lt. Governor of Division 31 Kiwanis and Paul and Jeannie Johnson. Paul and Jeannie were awarded the Distinguished Service Award for serving the community of Crest.

A big "Thank You" to Karen Nelson and her board for serving us so well this year!

Year in Review 2010/2011

Service hours by our members totaled 2,959, an average of 184 hours per member of volunteer time of community service. Good work team! Our projects include:

1. 11 Monthly Community Pancake Breakfasts
2. Crest Historical Society Support
3. Crest Library Support
4. Crest Elementary School Support: Motion Picture Projector and Recording Equipment; various afterschool events in support of the Crest School PTA
5. "Read around the world" reading program at Crest Library and Summer Reading Program Support
6. Recycle Program with Greenfield Middle School Builder's Club
7. Terrific Kids Recognition at Crest Elementary School
8. Holiday Food (2), Christmas Toy Drive, and Holiday Blanket Drive for Crest Community
9. Special Olympics
10. Crest Easter Egg Hunt and Pancake Breakfast
11. Crest 4th of July Celebration
12. The Salvation Army "Haven" home/shelter for single moms and their kids
13. Earth Discovery Institute (Crestridge Ecological Preserve) support
14. Reading Materials for Senior Citizens at nursing home facilities
15. Meals on Wheels for Senior Citizens
16. Ronald McDonald houses donations and Red Shoe Day brought in over \$500.
17. Sponsorship of an AYSO Girls team to a national softball tournament
18. Support for Boy Scouts of America
19. Golf Tournament Sponsorship for funds for afterschool scholarships for kids at the El Cajon Recreation Centers
20. December 10th: Kiwanis Breakfast; "Crest K-Kids " will decorate and we may have a surprise visit from Santa.
21. Youth programs: over 242 hrs of service reported

Kiwanis Calendar:

November: NO BREAKFAST

December 10th: Christmas Breakfast with special guests Crest School K-Kids and GMS (Greenfield Middle School Builder's Club) Kids. Let's help them raise funds for the much needed new speaker system at Crest school. Remember to send your recycled plastic bottles and soda cans to Crest school to help, or bring them to our breakfast!

Let's all help make 2012 a wonderful new year! If we don't win the lottery, let's at least have fun doing the right thing and enjoying this great community. We invite you to participate and join Kiwanis in supporting community causes.

Crest Tidbits:

Want to welcome a new neighbor to Crest? Is there a new baby in the family, a 50th wedding anniversary or recent retirement? If you have a line or two to share with and about Crest residents, send it to editor@thecrestsun or leave a message at 517-9838. Comments will be printed and edited at the editor's discretion.

While Walking at Night....

Now that it is dark so early remember to wear bright orange/yellow or bright colors at night. All the people walking/jogging in dark black or dark clothing with no light at all are putting their lives in jeopardy. And don't forget those orange reflectors on your dogs too!

Crest Lotto Winner

I was just at Crest Foods and there is a sign on the counter regarding a local Lotto winner in the amount of \$10,387.00!!!! Congratulations to one lucky Crest resident.

Are you ready?

The Community Recovery Team urges its volunteers to be ready. Get involved with your neighborhood preparedness groups. We were recently visited by an Austin, Texas newspaper reporter investigating how our community recovered from the 2003 and 2007 fires. I am pleased to let you know that in his opinion San Diego is one of the best prepared counties in the country. This is because we have volunteers like you to step up to the plate when a disaster strikes. Thanks for being a proactive member of our team. Linda Chase

September 26, 2011 (San Diego)--Have you been wondering when the best time is to retire? If you have, then we have an audio podcast just for you. Social Security's new podcast, "Deciding When to Start Receiving Retirement Benefits," is available for you to listen to now at www.socialsecurity.gov/podcasts.

Looking to Volunteer in the Crest Community?

CCA is looking for a volunteer or two help post events on the two community blackboards. Your name(s) will be listed in the Crest community contacts so folks can call you when there is an event that needs to be posted. We are looking for one or two individuals with clear handwriting, the ability to prioritize messages, and a willingness to make sure the messages get on the board in a timely manner. If interested, please call and talk to Kathy Fiedor at 444-4996.

Congrats to Rich Fiedor on his recent retirement! When asked what he plans to do, he responded, "Go wherever and do whatever my wife tells me to do."

I wanted to ask another recent Crest retiree, **Gail Luhn**, what she plans on doing in her retirement, but she is too busy to return my calls! Congratulations Gail.

Willia Winters, previous owner of Coyote Country, has retired after many years working in the county library system. Her years of service included working at the Crest Library. She spent her last few years at the Alpine Branch. Congratulations Willa!

CREST-DEHESA-GRANITE HILLS-HARBISON CANYON SUB-REGIONAL PLANNING GROUP

Mailing address: P.O. Box 21489, El Cajon, CA 92021

e-mail: wrplanning@aol.com website: www.crestplanning.org

The mission of the sub-regional planning group is to advise and assist the Director of Planning, the Planning and Environmental Review Board, the Zoning Administrator, the Planning Commission and the Board of Supervisors in the preparation, amendment and implementation of community and sub-regional plans.

Meetings are held the 2nd Monday of each month at 7:00 pm. Locations rotate between the Dehesa School, The Crest Community Center, and the Harbison Canyon Community Center. Meeting agendas, minutes, locations, and planning commission documents may be found on their website at www.crestplanning.org. The website can also be accessed by going to the www.thecrestsun.com website and clicking on planning group or organizations.

The Following are segments from the August 8, 2011 minutes regarding Crest. (There was no July meeting) For a full copy of the minutes go to www.crestplanning.org

Wally Riggs announced that the Dehesa Valley Community Council agreed to **withdraw its protest against the Sycuan Tribe's application for a liquor license for the Sycuan Casino**, following the Tribe's proposal to give the Dehesa community a \$300,000 "imbursement fund" that the DVCC can administer as a sort of mitigation for negative impacts caused by the liquor license; this imbursement from the Tribe will be provided as \$100,000 allotments each year for the next three years.

Item 4. Committee Reports. General Plan Update Report (Vandover). Jack Vandover reported that on 3 August the Board of Supervisors approved the **General Plan Update; the approved GPU included a modification by the Board of Supervisors which the Steering Committee had opposed (i.e., providing a higher density exception for Conservation Subdivisions located adjacent to sewer service)**; the Supervisors also dissolved the Steering Committee formed for the GPU process, although the department of Planning and Land Use is authorized to continue meeting with the former Steering Committee for planning purposes; a General Plan Amendment process is planned for every two years for "cleanup" of General Plan inconsistencies and conflicts; a 2 requirement that all Open Space associated with future development shall be protected in perpetuity, either by a restricting easement or by transfer to a public agency for management; all of the changes the Community Plan proposed by the Planning Group were accepted in the final plan; Supervisor Roberts' motion for the County to continue a further review of 250 requests for changes in Land Use Designation for private properties passed (3 yes; 2 no: Jacobs and Slater), although the requested changes conflict with the approved policies and goals of the new General Plan Update.

Item 6. Public Project Proposals. Single Family Residential Design Guideline Draft (Vandover). Jack Vandover explained that this Guideline is intended to help developers of large subdivisions with many single family homes create a project design that will meet the County's policies and expectations. It includes specific consideration of private roads, protection of ridgelines, and non-development of remainder parcels, among other things. The Department of Planning and Land Use has sent a questionnaire to the Planning Group members, seeking input on what contributes to good versus bad subdivision design. Judy Bowen suggested that the County should provide every developer planning a project in the Subregion with a copy of the Crest-Dehesa-Granite Hills-Harbison Canyon Community Plan. Jack Vandover suggested that the developer should come to the Planning Group before starting actual design of a propose development. Wally Riggs commented that the Community Plan still has some inappropriate language in its text, but that these errors can be eliminated in the General Plan Update cleanup process. Jack Vandover requested that Planning Group members send to him by September 1 their ideas for the County Questionnaire, and any suggested Plan text cleanup items.

Item 7. Unfinished Business. Discussion and **action on the preservation of the Stone Monument at La Cresta Road and Park Drive**. Judy Bowen summarized the issue of the property owner of the parcel on the corner of La Cresta Road and Park Drive wanting to eliminate the Stone Monument from its historic location on the corner, and she provided the Group members with copies of a letter from Dorothy Miller, Secretary of the Crest Historical Society, urging preservation of the Monument; and with handouts describing history of the construction of the Monument and photographs. The Group's discussion included mention that the Monument is mostly located on the County ROW for La Cresta Road, with only a minor fraction of it footprint located on private property; that the County will not fund relocation of the Monument, although it likely would give permission for it to be moved; that the Crest Historical Society and Crest Community Association need to be involved in defending the continued existence of the Monument. Chairman Riggs agreed to send an email to the property owner to inform him that the community consensus is that the Monument has historical importance for the community, and that since most of it is on County property it cannot be removed without County agreement; also to encourage him to contact the Crest Historical Society and the Crest Community Associate which are interested in preservation of the Monument for the community.

3 Phil Hertel moved that the Planning Group informs the Crest Community Association and the Crest Historical Society about the Stone Monument issue, and that it also urges the property owner to contact the Crest Historical Society about the monument's future preservation. The motion passed (12 yes; 0 no; 0 abstain).

Crest Fire Safe Council

Fire Safe Council has been given two grants from SDG&E to work on RED FLAG WARNINGS, hand-held radios, and furniture for the clubhouse. The purpose is to help the CCA become an incident command center for emergencies. The

CCA received a generator from a previous grant that is now on its cement foundation and should be ready by the end of November. Improvement to the siren located on the CCA grounds is again being researched to make it more effective; we need to make it warble. The warble sound makes it easier to hear inside and outside the home. Crest Fire Safe Council (CFSC) is working with Crest Emergency Resource Teams (CERT) to attend practices for county emergencies as well as researching steps to be a FIREWISE COMMUNITY.

Crest has an emergency call system to alert residents of potential emergencies. If you need to add or update your information for phones or email please contact Kandhy Franklin at 619-444-4996. This service is free and open to all Crest residents.

South Lane Park

The county wants to remind the users of South Lane Park that it is an unmaintained park. Any maintenance done to the park has been done by volunteers, except when the staff has extra time to work at the park. Water at the park is being paid for by Kandhy Franklin. She has noticed that the water faucets have been broken with no notice given to her.

Therefore the water is turned off until the pipes get fixed. Once the pipes are fixed, hopefully a water fountain designed for dogs and horses can be sold to the volunteers. Keeping the arena and round pen in good shape is up to the users. Please remember that horses are not to graze or be left unattended in the arena. The fences have been pushed out again because of horses left standing in the arena. Remember also that riding in the arena is done at your own risk as horse activities are dangerous. County Parks and the E-Crest-Rians or persons associated with the park are not liable. If there is someone who can grade the arena, that would be great, as a hole at the back of the arena caused a horse to break its foot and it had to be put down. It would be great if there could be a work party at the arena during the winter break. Watch the sign boards coming into Crest for the dates for work parties. If you have any questions please call Kandhy Franklin at 444-4996

E-Crest-rians

A note from Horses of Tir Na Nog - On Friday, three emaciated mares arrived at Horses of Tir Na Nog. The three were rescued by County of San Diego Department of Animal Services but have come to this facility to recover. While we are heart broken by their neglect, we are glad to be able to provide them with the care they deserve. Three new horses is a significant increase for us, especially

three horses in need of such extensive care. Please consider making a donation to help these three girls. We have played "musical horses" to create temporary space for these three girls, but we need to build new corrals to meet their long-term needs. We estimate these costs to be close to \$10,000. The feed and medical cost of recovering these three horses for their first year will also be significant, at least \$3,000 per horse. While these numbers are challenging, we are confident that with your help we will be able to meet the needs of these mares, our three precious gems. Please consider making a donation and PLEASE share this information with your friends and families. You can follow their stories on our facebook page:

<http://www.facebook.com/#!/pages/Horses-of-Tir-Na-Nog/112763885471140>

Here are links to some of the media coverage these three girls have received:

<http://www.fox5sandiego.com/news/kswb-rescued-animals-sanctuary-to-rehabilitate-neglected-horses-20111014,0,2625583.story>

Thank you for helping us help at-risk horses, Amy Pat Rigney, President Horses of Tir Na Nog

CCA

Holiday Santa Party - The Crest Community Association will be holding its annual holiday gathering on **Friday, December 9th at 6:30** at the CCA Clubhouse. Santa will arrive by fire truck at 6:45 so come on by. Bring a dessert to share. Drinks will be provided along with lots of holiday spirit!

ATTENTION ALL GUN OWNERS! FROGLUBE CLP IS HERE!

**A UNITED STATES DEPARTMENT OF AGRICULTURE
BIO-PREFERRED NON-TOXIC 98% PURE GREEN PRODUCT**

FROGLUBE® is a cutting edge biodegradable lubricant made from “food-grade” ingredients produced in the USA using a proprietary formula. It is a non-toxic substance that dissolves carbon, grease and sludge on contact. It has a heavy specific gravity which allows it to “season” the metal by absorption deep into the pores and results in a durable slippery surface that reduces friction. Metal, plastic, urethane, nylon or other durable surfaces treated with **FROGLUBE®** are rejuvenated, preserved and will give extended years of service.

FROGLUBE® will not harm the environment. It’s food-grade components can be disposed of without the need for prohibitive HAZMAT controls.

BROUGHT TO YOU BY NAVY SEALS!

**DISSOLVES CARBON, GREASE, RUST ON CONTACT.
PLEASANT MINT SMELL, ALLOWS YOU TO CLEAN YOUR GUN INSIDE.
NON-TOXIC FORMULA WILL NOT HARM YOU.
CLEANS, LUBRICATES YOUR FIREARM, PROTECTS FROM MOISTURE, RUST.
AVAILABLE IN PASTE OR LIQUID**

Remembering our Crest Friends:

Dick Sutton
1931- 2011

Dick Sutton was born in Rumford, Maine in 1931. His family lived in East Dearing/Portland ME. When he was 14 years of age the family moved west to Bostonia in El Cajon. After graduating from high school, he served 4 years in the Air Force, Airman 1st Class, and left with an honorable discharge on December 14, 1955.

Dick took advantage of the GI bill, attended San Diego State University for 2 years and worked at General Dynamics while he went college. After leaving General Dynamics, he then moved to the Los Angeles area and worked for Rockwell International as a quality control technical writer for the Apollo Program. After moving back to San Diego in the 1960's he worked as a construction superintendent for a few years. After leaving the construction trade he worked at the Marriot Marina Hotel for 10 years. His last 5 years of employment were at Saint Madeline Sophie Center. He then retired in May of 2010.

Dick and Rosanna were married in December of 1976. Among many interests, they shared a love for dogs and attended dog shows. Shortly thereafter they started a small tartar control dog biscuit company and were vendors at dog shows for many years.

Dick and Rosanna moved to North Crest circa 1994.

He is survived by his wife Rosanna, three children and two brothers.

His favorite activities were going to the dog shows, singing with the Friendship Connection and working with his Kiwanis Club. He loved watching boxing and was actively keeping in shape at the YMCA. This summer they enjoyed a two week vacation camping along the McCloud River in Northern California.

Dick was always ready to lend a hand and work for his community. The parishioners of St. Louise Church and members of Crest Kiwanis will especially miss him. He served as president of Crest Kiwanis in 2010 and was their best pancake maker-always willing to teach an eager six year old how to flip them just right. Dick was a modest person who felt strongly that we should do our best to contribute to our community, be it the Ronald MacDonald house, Crest School, or helping folks through tough times. He will be remembered as a man who was willing to help his neighbors, with a ready smile. His greatest pleasure was to do things to please his wife. Thank you Dick for being a wonderful member of our Crest Community.

About Crest

All About the San Diego Flume

The water issues in San Diego County are an age old problem. In 1875 a water company would drill wells in the San Diego River bed and pump the cloudy water up to University Heights and then pipe it to town. One article describes the taste of the water as “highly mineralized, the water tasting as if a regiment of Siberian infantry had marched through it in their socks.”

In the mid 1886 T.S. Van Dyke and W.E. Robinson formed the San Diego Flume Company to dam the waters in the Cuyamaca Mountains and carry the water by wooden flume to San Diego. Cuyamaca Dam was built and 12 miles to the west, a

retaining dam was constructed where the flume would carry the water westward.

This was not an easy feat as it required nine million board feet of redwood planking and timbers. Over 100 Wagons, 800 horses and mules, and several hundred men started eastward from La Mesa. Approximately 45 miles long, the flume crossed canyons on 315 trestles. The longest tressle was the Los Coaches tressle, 1774 feet in length and 56 feet high. The flume line was completed into the El Cajon Valley in 1888. The water then went on to Grossmont where it was diverted to the then Eucalyptus Reservoir. The La Mesa Dam was constructed and used until Murray Dam was constructed in 1916.

The flume itself was completed in February 1889 after two years of work. It was six feet wide and four feet high. As soon as the wooden ditch was completed as far as Lakeside, company officials made up some flat bottomed boats and had a ball floating down the flume. Soon the sport became so popular that the boats were made up in “trains” of four and rented out.

Night rides were also popular especially for males. Many a back country rancher must have been rudely awakened at night by the far-away strains of “Sweet Adeline” and the crashing of whiskey bottles on the rocks below the wooden ditch.

San Diego was proud of its flume and the company tried to keep the water reasonably clean. A number of Indians were hired as “flume walkers”. Knee deep in water, they walked up and down their sectors removing branches and other debris from the stream. Not only did the walkers get paid, but they were allowed to keep all drowned rats, ground squirrels, rabbit and birds for their gourmet suppers. No one ever complained about the water being contaminated by the walker’s feet. Germs had only recently been invented and few people believed in them anyway.

Unfortunately for the investors, rowdy riders were the least of their problems. As impressive as the flume was, the sudden end of the land boom in 1888, and a seven-year drought ended any hope of profit. The flume was replaced long ago by other water sources.

Anyone driving through the back country east of El Cajon can see sections of the structure still clinging to the sides of crags or disappearing into the damp eyes of old tunnels.

Thanks to information obtained from the El Cajon and Lakeside Historical Society and *Eldonna Lay, V.P. El Cajon Historical Society* As printed in the *San Diego Union-Tribune, 02/28/2008*

RAYNA@RAYNAMACK.COM

Are you looking to BUY or SELL a home?

I am your hometown Realtor.

I've been a Crest resident for 14 years and very familiar with the unique issues of BUYING and SELLING homes in our community.

I specialize in both Traditional and Short Sales. With my previous experience in the loan industry I have extensive knowledge and resources available on all types of financing

A big question on many folks mind is: "WHAT IS A SHORTSALE?"

***In a short sale, the lender agrees to settle the debt owed on the property for less than the full amount. "Settled" means that the lender is writing off the debt (which is why you get a 1099 after a short sale for the amount of debt forgiven) and that they are not going to go after you for the money they lost by filing a deficiency judgment in the future.

***NOT ALL SELLERS AND PROPERTIES QUALIFY FOR THIS, ASK YOUR TAX PROFESSIONAL IF YOU QUALIFY

I AM HERE TO ANSWER ANY OF YOUR QUESTIONS OR CONCERNS REGARDING THE REAL ESTATE MARKET, ANYTIME!

Is Your Shoe Box Ready?

Crest Community Church is inviting the Community to help with Operation Christmas

Child by packing a shoe box to bring hope to impoverished children in the U.S. and around the world at Christmas time. In some cases, the "shoe box" and items inside, become their only possessions. A family simply fills a plastic shoe box with a variety of simple gifts that would delight a boy or a girl of a designated age group (2-4, 5-9, 10-14). Walmart and the Dollar Stores are great places to shop for inexpensive items and plastic shoe boxes. This project is sponsored by Samaritans Purse, an international non-denominational Christian organization that was one of the first to respond to our Community during the 2003 Cedar fires. They had a trailer in Crest for three months, assisting our community through the three local churches. Now it's our opportunity to give back. **Drop your boxes off at Crest Community Church by November 13th, along with a check for \$7 for shipping for each box.** These boxes will be shipped all over the world to needy children. For hints on how to pack a box, pick up a flyer at the local stores, club house or Crest Community Church, or go to <http://www.samaritanspurse.org> and click on Operation Christmas Child. For additional questions? Call the church at 442-8536.

JACOB TO OPPOSE SDG&E RATE INCREASE
Customer Rate Hikes and Executive Bonuses
Don't Mix,

San Diego County Supervisor Dianne Jacob
spoke against SDG&E's proposed \$1.5 billion rate
increase at a public hearing of the California
Public Utilities Commission. Jacob opposes the
increase because SDG&E's residential rates
already exceed those of other utilities. In addition,
SDG&E executives and managers received
hundreds of millions in bonuses and incentive pay
since 2008.

Sept 27th - I commend the CPUC for putting
public safety first and grounding helicopter
operations for this dangerous, fire-inducing
monstrosity. The CPUC must hold SDG&E
accountable for its reckless antics and flagrant
disregard for CPUC rules. The steady stream of
equipment drops and unreported rotor strikes
increases the chances of wildfire in communities
that have already endured the 2003 and 2007
wildfires. I have called on the CPUC to hold a
public meeting in Alpine to look the community in
the eye and prove that lives and property are not
at risk.

Hawks, Hikes, and Heroes

After a stormy night, the day dawned clear, dry, and gorgeous for EDI's second annual fundraiser on the morning of November 5, 2011. The inspiring energy of the day was reflected by the attendees who hiked and rode the Crestridge trails and by our speakers, Marion Soloway and Sharon Keffer. Marion, San Diego County's Environmental Teacher of the Year for 2010 spoke to the importance of connecting children to nature and some of the students whose lives she has seen changed by that connection. Sharon Keffer, Cajon Valley's Service-learning Coordinator and a Crest Elementary School teacher for over 3 decades described how EDI's programs at Crestridge have inspired and engaged students for over 8 years.

Andrea Johnson, Volunteer of the Year

Attendees contributed generously to win raffle prizes and silent auction items, helping EDI to sustain programs in the coming year. Crest's Andrea Johnson was awarded EDI's Volunteer of the Year honors for her decade of support leading student and volunteer projects, assisting in habitat restoration, participating in species monitoring and doing just about anything that needs doing at Crestridge. Our first ever guided equestrian ride was led by Sandra Caimcross. A Red-tailed hawk was on hand courtesy of Nancy Conney and Sky Hunters to give us an up-close reminder of the amazing creatures who depend on us and upcoming generations to keep the planet healthy for all of us.

Supporters Soaking up Soloway Wisdom

Thanks to all who helped with the event including EDI Board, staff members, and volunteers, Crest Kiwanis members, and El Capitan High School Roots and Shoot students. Thanks to all who assisted, attended, and sent contributions. You created a wonderful day for an important cause!

Upcoming Events:

Saturday, November 12, 2011: Reserve Rangers Meeting, 9:00-11:00 a.m.

Reserve Rangers is EDI's volunteer patrol group for Crestridge. Members keep land managers apprised of habitat and use issues noted while spending time at the reserve. All are welcome to join. At this meeting, Rangers will be trained on law enforcement issues at Crestridge. Information will be presented on state Fish and Game regulations that apply in the reserve. Speakers from the San Diego County Sheriff's Department and Animal Services Department will discuss related regulations and help Rangers understand safe and effective ways to share information about reserve rules. Directions/RSVP to Cathy; chadgroup@cox.net or 619-277-3605.

Saturday, November 19, 2011: Volunteer Projects Day/Mountain Biking Demo, 8:00a.m. – 4:00p.m.

Volunteers will conduct trail work and install horse watering stations in the Horsemill area of the reserve. The San Diego Mountain Biking Association will coordinate trail work. All interested equestrians are invited to help with installation of the watering stations.

8:00a.m. – 12:00 noon: Trail work and horse waterer installation.

12:00 noon to 4:00p.m. – Ellsworth Demo, BBQ, and Mountain Bike Ride.

BBQ will be free to trail/waterer volunteers, \$5 donation for those attending demo and ride only. (Proceeds to benefit EDI and SDMBA.) Directions/RSVP to Cathy; chadgroup@cox.net or 619-277-3605.
