

Crest Community Association Annual Membership Drive July 1, 2020 -June 30, 2021

A Little History: The original Crest Clubhouse was built in 1939 by residents of La Cresta and was maintained by the La Cresta Women’s Club. The land was donated by Barney and Dollie Cornelius and became the main meeting place for the community and was always used for the betterment of Crest. Over the years the names and organizations have been updated from the La Cresta Women’s Club to the La Cresta Country Club, The Crest Civic Group, and the Crest Community Association. The goal, however, has always remained the same.

The Crest Community Association continues to be tasked with the challenge of keeping our beloved Clubhouse fiscally sound so we can continue to have a place where the community can gather. The residents of Crest can accomplish this task. Whether it is by becoming **donating member or by volunteering time**, together we can create fun events to both enrich the community and support the clubhouse. While all community members are always invited to CCA events, your membership shows your dedication and support.

This year is especially challenging since the Covid-19 has kept the CCA from any fund-raising activities. Community dinners, renting of the clubhouse, and holding our main loved fundraiser – the July 4th Parade and Family event have all been cancelled. We now need your support more than ever.

Won't You Join in on the Fun and Support the Crest Community?

Thank you to those who supported our half price mid-year Membership Drive in January since no membership drive was held in 2019. We hope you will now help us get back on track by contributing to our 2020-21 July-June membership drive. The CCA is a 501(c)4 not-for-profit organization.
