Community Resources coordinated by the CCA:

Monthly community meeting

Crest Sun Newsletter Facebook page

CrestCA.com website

Chalkboard for Crest information regarding community events

Welcome Wagon visit for new Crest homeowners & renters

Meetings about fire safety, fire station or other community issues

The more members we have, the more activities we can do!

In addition to these many activities, the CCA is charged with maintaining our beautiful clubhouse.

Rebuilt after the 2003 fire, it is now 17 years old and has received quite a facelift this year which includes new paint, blinds, sound boards, flag, chair covers and artificial turf.

We have enlisted a community member to facilitate much needed landscaping and update our outdated sprinkler system to ensure we are compliant with defensible space requirements to renew our insurance.

All of these maintenance issues and ongoing utilities are paid for through your membership, fundraising efforts and clubhouse rentals.

BECOME A CCA MEMBER

gifts!

We're glad you're here!

Clubhouse Rentals:

**Our facility is open for rentals!
This is a great venue for your
next birthday, anniversary,
holiday party or any gathering.
Detailed rental information and
contract is available at
www.crestca.com under the
"Rent the Community
Clubhouse" link.**

**All questions can be directed to
Diana Griffin @
queenieglass@gmail.com**

We have been making some great strides to give a facelift to our clubhouse - new paint, new blinds, new sound boards, new flag, new covers for our chairs (versus replacing them). This is a great venue for parties at a very reasonable price; and remember, CCA members get a discount for their rental.

We have enlisted a community member to help facilitate much needed landscaping and our outdated sprinkler system to ensure we are compliant with Cal Fire defensible space requirements to renew our insurance. Amanda Tarantino of A. Tarantino Garden, has donated many hours to assist in this effort. We will be working with Endangered Habitats Conservancy (EHC) and requesting a grant from Sycuan to also support our efforts. If you are a business owner that would like to participate or donate some much needed items, please call Diana Griffin (rental manager) @ 619-517-7292. Looking for hardscape/pavers, maybe some cement for the back patio, trash/debris removal
