

## Crest Community Association -

113 N Park Drive Crest, CA 92021

### Happy 2025 from your Crest Community Association

We have received requests from folks for the status of their annual Membership.. If you have not yet renewed or wish to become a member we have a special offer for you. You can get a 6-month membership right now to get back on schedule.

If you are new to our community or have never been a member, we would like to take this opportunity to tell you a little about the Crest Community Association.

Did you enjoy the Crest Santa Night at the Crest Clubhouse? How about July 4<sup>th</sup> at Nancy Jane Park, the Classic Car Event at Crest School, the Recycling events or the Easter Egg Hunt? Have you joined in the monthly yoga classes, art classes, glass craft classes, or prayer group held at the clubhouse? Do you look forward to checking out the Crest Sun Newsletter Facebook page, the CrestCA.com website or our wonderful blackboard for Crest information regarding community events? Were you visited by Welcome Wagon members with information regarding Crest when you moved in this year? Have you attended important meetings regarding fire safety or other town hall meetings? These are a few of the activities coordinated by Crest volunteers of the CCA.

The Crest Clubhouse belongs to the Community of Crest under the guidance of the CCA, a not-for-profit foundation run and managed by Crest residents elected by the community members.

Please consider volunteering and making many more memories for your community. We'd love to bring back community breakfasts and dinners, and the garden club if more volunteers would step up and help. Remember, many hands make light work.

**Join the CCA Today:** For Credit cards, go to the Crest Website [www.crestca.com/crest-community-membership-form](http://www.crestca.com/crest-community-membership-form) (you can also download the membership form to mail in here).
