

Crest Community Association (CCA) 2025-2026 Annual Membership Drive

A Little History: The original Crest Clubhouse was built in 1939 by residents of La Cresta and maintained by the La Cresta Women’s Club. The land was generously donated by Barney and Dollie Cornelius, and the clubhouse quickly became the central meeting place for the community, always dedicated to the betterment of Crest. Over the years, the names and organizations have evolved—from the La Cresta Women’s Club to the La Cresta Country Club, the Crest Civic Group, and now the Crest Community Association (CCA). However, the goal has always remained the same: to provide a welcoming space for community connection.

Today, the CCA continues to carry the responsibility of keeping our beloved Clubhouse fiscally sound and active. Whether through becoming a donating member or volunteering your time, your involvement helps us host fun and meaningful events while supporting this vital community resource.

If you're new to Crest or haven't yet joined, we invite you to get involved. Have you attended Santa Night, the July 4th celebration at Nancy Jane Park, e-waste recycling events, or the Easter Egg Hunt? Participated in yoga or art classes at the clubhouse? Visited the Crest Sun Newsletter Facebook page, CrestCA.com, or noticed our community chalkboard with event updates? Were you welcomed by the Welcome Wagon or attended a fire safety/town hall meeting? These are just some of the many efforts organized by CCA volunteers.

The Crest Clubhouse belongs to the community and is guided by the CCA, a nonprofit foundation run by elected Crest residents. Please consider helping us bring back community breakfasts, dinners, or the garden club. Many hands make light work—your support truly matters!

We hope you will contribute to our 2025-26 July-June membership drive. The CCA is a 501(c)4 not-for-profit organization.
