

Crest Community Association Annual Membership Drive

Founded in 1939 as the La Cresta Women’s Club, the land for the Crest Clubhouse was generously donated by Barney and Dollie Cornelius to serve as a gathering place dedicated to the betterment of the Crest community. Over the years, the organization has evolved through several names — from the La Cresta Women’s Club to the La Cresta Country Club, the Crest Civic Group, and now the Crest Community Association — but its mission has always remained the same: fostering community spirit and preserving a place where neighbors can come together.

Today, the Crest Community Association continues the important responsibility of maintaining and supporting our beloved Clubhouse so it remains financially sustainable for future generations. This goal can only be achieved through the support and involvement of Crest residents. Whether through becoming a donating member, volunteering time, or participating in community events, every contribution helps strengthen our community and preserve this historic gathering place.

While all residents are always welcome at CCA events, membership demonstrates your commitment to supporting the Crest community and the continued success of the Clubhouse.

We hope you will contribute to our 2026-27 July-June membership drive.
